Ran into a series of "Confucius Say" jokes the other day. They go something like:

"Confucius Say: When child not lump in throat, then he pain in neck."

"Confucius Say: Absolute, positive and sure way for doubling money - fold and place in pocket."

"Confucius Say: Child who plays with mother's rouge likely get caught red handed."

"Confucius Say: When girl gets man's heart hammering -- he soon nailed."

CHARACTER WITNESS

"How long have you known the defendant?"

"Twenty years or so."

"Tell the court whether you think he is the type of man who would steal money or not?"

"How much money?"

-Postscript

102 - 102 - 102

For the weary, worn or over-wrought, have heart.

Edmund Burke says it well:

"He that wrestles with us strengthens our nerves and sharpens our skill. Our antagonist is our helper."

And a fellow named Josh Billings adds this comment:

"Thrice is he armed That hath his quarrel just; And four times he Who got his list in fust."

Falstaff Tops For Sunshine League

The Falstaff team still holds the lead in the Sunshine Bowling League with a 13-3 record. In a tie for second place are Western Auto Citizens National Bank and Hefley Stedman teams with a 8-3 record.

Coca Cola was the top place team in both series and single game with a 2044 - 760 set. Leader Department took the second spot with a 2014 - 717 and New Cameron Drug had the top series with a 1988 and Falstaff had a 679 game.

Irene Mees had the top series game with a 445 - 191. Rose Matula had a 174 game for second place and Betty Close and Judy Mullendore had third place with a 165. Second place series was taken by Lou Monroe with a 435 and Betty Close had a 432.

4 Teenagers Hurt, One Seriously, In Two-Car Collision

Four Cameron teenagers were injured one seriously, in a two car collision occurring a mile south of Rogers on US 190 last Thursday afternoon.

The four, Johnny Springer, Stanley Price, Roy Wohleb, and Aileen Ruth Pilling are students at Temple Junior College and were enroute home when the accident occurred.

Springer was the only one seriously hurt. He received a fractured skull and minor cuts and bruises. He was a patient at Scott and White Memorial Hospital, Temple, earlier this week.

The Cameron youths were traveling in a 1954 Chevrolet driven by Miss Pilling. Her car was in collision with a pickup driven by Tom Hutchinson, 73, of San Saba. Hutchinson and the other three Cameronites were treated for cuts and bruises at Scott and White and released.

Eyewitness Says . . .

MD Saves Youth, Leaves Unknown

By Robert Mann

A Negro doctor apparently saved the life of Johnny Springer, 18-year-old Cameronite, last Thursday afternoon when he arrived on the scene of a two-car collision one mile south of Rogers and applied first aid to Springer.

The doctor, driving a Cadillac automobile, was the first to arrive at the scene of an accident that injured four Temple Junior College students, all from Cameron. He applied first aid to Springer, now a patient at Scott and White Memorial Hospital, did what he could for the other injured teenagers and then departed when a Rogers ambulance arrived.

The doctor's name or address is not known. According to doctors at Scott and White, his treatment of Springer's head injury saved the teenager's life. X-Rays at Scott and White showed that Springer had a fractured skull.

Here is an eye-witness report as told by Stanley Price, an occupant of the Cameron car.

"The only thing I remember is that my head hit the seat and Johnny (Springer) was pinned in. I heard Roy (Wohleb) call and I opened the door. Somehow we got Johnny out."

"We were all hurt or cut and Johnny was losing a lot of blood from a gash in the back of his

award top salesmen bicycles, watches or cash.

Youngsters of school age in the Cameron and Milam trade area are eligible to participate.

Here is how they can win:

-Sell 25 new subscriptions in the Milam or trade area and win a new 26 - inch bicycle valued at \$40.

-Sell 12 new subscriptions in Milam or trade area and win a new Westclox watch.

-Sell less than 12 new subscriptions and win a \$1 commission for every new subscription.

Receipt books and complete instructions may be picked up at The Herald office in Cameron.

Special individual bonuses will be awarded to top salesmen in Cameron and the Milam trade area.

Renewals will not be considered in awarding prizes and only 25 cents will be paid for subscription renewals turned in.

If your youngster wants or needs a bike, a watch or some spending money, invite him or her to learn more about the program.

This is the first major subscription drive conducted by The Herald in four years. Group organizations may want to work together in the drive, but the contest is primarily an individual plan.

Remember, quite a number of youngsters are already working for that bike, watch or cash award. Inquire today about how your youngster can win.

head. Roy went to see about the guy in the pickup."

"Johnny started losing his breath and then stopped breathing, and there was nothing I could do. It was then that this colored man ran up and said, 'We're going to save this boy'."

He got his bag out of the car and gave Johnny a shot. As soon as he did, Johnny's eyes opened and he started breathing again, in short catching breaths."

"The doctor said to keep his head low and keep him still as possible. Then he sent Roy up the road to get some water from a liquor store. He stayed with Johnny and then did what he could for us."

"When the ambulance arrived, I didn't see the doctor anymore. Roy said he left in a black Cadillac. The ambulance was from Rogers, I think, he drove 100 miles an hour all the way to Scott and White at Temple."

"The doctors then took care of us. Aileen (Pilling) was cut on the face and had quite a knot on her leg; Roy was cut all the way to the bone on his right leg; and I was bruised up, but not as bad since I was riding in the back seat."

Another twist of fate came when Stanley said that his mother, riding to Temple with Mrs. Narvie Caperton, saw the accident.

Guard Plans For 15th

Administrators Already At Work To Start Watershed Vote Denies New Tax Trailride

By James Hollas

Preparations for Milam County's National Guard's tour of active duty moved on this week with the unit's commander, Capt. James T. Terry reporting for active duty last Monday.

A thorough physical was given the Guardsmen at their last drill by Capt. Robert H. Bushey of the Medical Section of the Third Med. Tank, Bn. Headquarters in Temple. The local Company C is a part of the Tank Battalion.

Members of Company C were reminded to get all personal matters settled before the Mobilization date, October 15. Plans call for Guardsmen to report to their home station on the 15th and move to Fort Polk, La., about 10 days later.

Capt. Terry also announced that drills will be held on October 1, 3, and 10.

Terry was also advised that he

will be authorized to order three or four men of the Company to active duty October 1. These men will help carry on the administrative work of the company in preparing for the move to Fort Polk.

Word of the call - up came September 19 in a message from Secretary of Defense Robert S. McNamara after an alert for possible active duty was issued September 6.

The callup will affect 35 men for Cameron. Rockdale will lose six men.

S-Sgt. Joe L. Vybiral said that the tanks will be sent to Fort Polk and the National Guard Armory Board in Austin would have control of the Armory with one company official in charge of the building.

The company has two front line veterans of the Korean War. They are S-Sgt. Jimmy Thompson of Rockdale and S-Sgt. Terry Hardwick of Cameron.

Meanwhile plans for the arrival of the 49th Armored Division were being made at Fort Polk La. Maj. Gen. Harley West made a flying trip to the Army Post and was pleased with the facilities which he said greatly exceeded his expectations.

It is unknown how long the division will stay on active duty but McNamara has said "probably one year, possibly less, pending favorable conditions."

SC Zone 3 To Name

District Supervisor

Landowners in Zone 3 of the Central Texas Soil Conservation District will vote Tuesday, October 3, on a supervisor to help administer the affairs of their Soil Conservation District.

The election will be held in the District Courtroom of the Courthouse in Cameron, 7:30 p. m.

Zone 3 landowners, 21 years of age or older and wives of zone 3 landowners are eligible to vote according to J. D. Moore, Milam County Agent.

Edwin Fischer, farmer and stockman at Buckholts is the present District Supervisor.

BROOMS, MOPS AND MORE BROOMS -- Lion's Club director John Schigut displays a few of the many types of brooms, mops and other household items that the club will offer for sale October 3. Advance sales are being carried on this week. All proceeds will be used to carry on the charitable and civic work of the club.

Heart O' Texas trailriders will meet in Cameron for a parade at 5:30 p. m. Saturday, a dance and overnight stay before starting for Waco the next morning.

Dozens of riders are expected to join in the parade Saturday afternoon and the trailride which will be climaxed Tuesday with a grand entry at the 1961 Heart O'Texas Fair in Waco.

A dinner for participating trailriders will be held at campgrounds following the parade. And a dance will be held Saturday night at National Guard Armory.

Riders will leave Cameron Sunday morning for the 55-mile ride to Waco and the Heart O' Texas Fair opening. This is an annual trailride often hosted by members of the Cameron Saddle Club.

They will join riders of saddle clubs from around Central Texas in the two - day ride to Waco. Trailride officials are: Jess Radle, trail boss; Vaughn Jenness, assistant trail boss; Dr. Lyle McDermott, official veterinarian; Pam Green, trailride sweetheart; Tami Gay Radle, junior sweetheart; Glenn Wingo, official wagon boss; Homer Casey, Waco publicity; Kirk Darft, official scout, Robert Radle, chief of scouts; M. C. Duncum, second chief scout; Edwin Brod, horse wrangler; Carroll M. Green, assistant; Buddy Shipp, Aubrey Hightower and C. O. Angell, flagbearers.

Tickets Now On Sale

For Georgetown Tilt

Tickets are available in the Yoe High Principals office for the Georgetown - Cameron football game according to J. R. Underwood.

Underwood said that reserved seats for the game to be played in Georgetown Friday night are on sale now for \$1.25 each. Student tickets are also on sale at the school. General admission tickets can be purchased at Georgetown before the game. Game - time will be 8 p. m.

Voters in the Elm Creek Watershed Saturday denied the \$100,000 bond issue 479 to 348, according to a tabulation of votes at the three polling places.

It was the second time property owners turned down the issue in the past 14 months. Unofficial vote counts showed that voting went:

Yarrelton -- 92 for and 115 against
Seaton -- 147 for and 184 against
Troy -- 109 for and 180 against

Elm Creek Watershed officials were planning a meeting this week to canvass votes.

The total of 827 votes represented about two-thirds of eligible property owning, resident voters in the Watershed. It includes Northwest Milam County, and parts of Bell, McLennan and Falls Counties.

No plans were yet announced as to what action will follow the Saturday election.

The defeated proposals would have raised the 10-cent tax rate to a maximum of 25 cents for maintenance of dams, when built. The \$100,000 would have provided funds for this maintenance and right-of-way.

Approval of the issue would have cleared the way for a federal appropriation of \$5.5 millions for the construction of about 60 dams, 21 of them in Milam County.

There are 192,000 acres of land in the Watershed.

Milam District Jury Awards Judgment

A Milam District jury last week ruled in favor of the plaintiffs in the case of Mrs. Bernice Suttles and children vs. Texas Employers Insurance Association.

The Suttles were asking for payments totaling \$12,500 as a result of Suttle's death while working in a potroom in Alcoa on May 16, 1960.

He died from a heart attack and Mrs. Suttles' attorneys, Leonard Allen of Rockdale and Thomas J. Mitchell of Houston, stated in their case that the heat, fumes and exertion were contributing factors in his heart attack and death.

Allen said that Suttles was working on a burned out pot immediately after working on another burned out pot. The jury upheld the plea.

Emory B. Camp, of Cameron, and Logan Ford of Dallas, TEIA attorneys said that they will enter a motion for a new trial.

The same case was ruled a mistrial last April.

Jurors were: John D. Westbrook

John T. Butler, W. W. Balhorn, Wesley Fogle, W. L. Hall, Oscar Falke, Ed B. Moerbe, Lee Marek, Jr., J. D. Moore, Paul Cruz, Robert Swanny and John W. Baker.

\$50 Check Boosts

Milam RC Fund

For 'Carla' Victims

A check for \$50 from G. A. McDermott of Cameron, raised the county's Hurricane Carla disaster fund to \$250 this week according to H. D. Maxwell, chairman of the Milam Red Cross program.

Milam County has been asked to raise \$1,228 as a part of Texas' Red Cross disaster fund for use in South Texas.

F. A. Marek was the first to give to the fund from Milam County with a check for \$200.

Maxwell said that donations could be made to the fund through his office, County School Superintendent, at the courthouse. He added that donations will be put into immediate use in the stricken area.

Used clothing is being collected for distribution among Hurricane Carla families. All good used clothing, shoes and blankets are sought. They are being collected at the old Sunday School Annex of the First Baptist Church.

Rotarians View

Hurricane Slides

R. R. Sugg, works manager of the Rockdale Alcoa plant, and Ralph A. Nichols, public relations directors, Wednesday presented a program of slides of Hurricane Carla's damage to the area surrounding the Point Comfort plant.

Nichols, new public relations director at the Rockdale Works, narrated for Cameron Rotarians showing of several dozen scenes of hurricane damage to the Point Comfort plant, towns and coastal area.

George Childress, program chairman, introduced the speaker.

Farmers Entitled

To Gas Refund

Farmers who are entitled to gas tax refunds are again reminded by R. L. Phinney, District Director at Austin, to file claim with the Internal Revenue Service by the deadline of October 2.

Claims should be made on Form 2240 for 1961. These forms and instruction sheets can be obtained from county agents or from Internal Revenue Service offices.

Final Payments

On Grain Plan

Final payments on the 1961 Feed Grain Program in Milam County are almost complete. The farms have all their final payments computed and the operators and owners who have not received their final payments have not because of their failure to come to the ASC Office in Cameron and sign the agreement for the final payment. All owners and operators who have not yet signed the agreement for final payment on the diverted 1961 feed grain acreage are urged to come by the office and sign the forms at once so that the 1961 payments may be completed. The 1962 Feed Grain program will be under way before long and all 1961 payments should be complete and out of the way.

Sign up will begin before long on the 1962 Wheat Stabilization Program. Payments for acreage retirement from production of 1962 crop wheat are not automatic. Alva E. Sanders, County Office Manager Milam County Agricultural Stabilization and Conservation Service explained today. The farm operator must sign up prior to the closing date for mandatory minimum diversion as well as for the additional voluntary Diversion of wheat acreage and devote such acreage to approved conservation practices. Sign up dates for the wheat program will be announced in the very near future.

Congress has made a mandatory 10 per cent reduction in the national wheat marketing quotas, and this does not make the wheat producer automatically eligible for payment in his reduction.

Monday Is Fall \$ Day In Cameron --- Don't Miss It!

NEW ENTRY - The Signet 200, Valiant's all-new entry into the lowest priced compact car field, combines the sporty silhouette of the popular 2-door hardtop with sports-car interiors featuring bucket seats. Over all, there are seven Valiant models. The 170-cubic inch six-cylinder engine is standard.

Valiant Adding Hardtop To Line

Valiant for 1962 introduces an all-new model, the Valiant Signet 200, America's lowest price hardtop with bucket seats.

Addition of the Valiant Signet 200 expands to seven the number of models Valiant will offer in the lowest-price compact class. The sporty new hardtop is distinctive in styling inside and out from all other Valiants.

In each model in the Valiant line there are over 50 improvements and refinements — the majority of them engineering advances — which add to the car's overall value and quality, make it more durable, economical, efficient and trouble-free, and enhance its appearance. The new models including the 1962 Plymouth will be displayed at Duncum Motors in Cameron.

- These advancements include:
1. An optional 225-cubic inch six-cylinder engine with a new die-cast aluminum cylinder block.
 2. New long-lasting chassis lubrication with some parts sealed for life and others requiring no lubricant-attention for 32,000 miles.
 3. Extensive changes in the electrical system including a printed electrical circuit for the instrument cluster, a new starting motor, sharper - focus headlamps, a new lightweight battery, and a new multi-circuit connector.
 4. Improvements in anti-corrosion treatment of the full unit body and frame construction which further extends the car's

life expectancy through the use of galvanized steel body members. The addition of galvanized steel supplements the extensive 7-stage dip-spray protection process.

5. Doubling the life of the exhaust system by using aluminumized steel in muffler parts and by making tail pipes 25 per cent thicker.
6. Completely new interiors and external styling refinements which accent the car's beauty.
7. New tires, an easier operating steering gear, bonded brake linings, a larger fuel tank combined with better fuel economy, and several innovations which make the car operate quieter and smoother.

C. E. Briggs, vice president of Chrysler Corporation and general manager of the Chrysler-Plymouth Division, said the new Valiant Signet 200 was designed to make available at a realistic price the smart sports car interior combined with the popular silhouette of the hardtop.

"This car is different from any other Valiant model from the front from the rear and from the side," he said. "Its interior is completely unlike any other model in the line."

Visiting in the home of Mr. and Mrs. Rice Dennis over the week end were Mr. and Mrs. D. McKnight of San Antonio, Mrs. Lovan Caraway and daughter Kathy and Mr. and Mrs. Ray Hall of Houston.

Walton Family Meets In Cameron For First Reunion

The first reunion for the family of the late Mr. and Mrs. W. E. Walton of Marlin was held at the City Park Sunday and plans were made at that time to make it an annual affair.

Those attending were: Mr. and Mrs. J. L. Walton, Riesel, and their daughter and family, Mr. and Mrs. A. R. Spivey and son, Charles Wayne, of Houston; Mrs. Lella Janeway, Cameron; Mrs. J. B. Mallard, Marlin, and family, B. G. Mallard and family of San Antonio; Mrs. Milton Malard and children, Jackie, Christine, Sarah Frances, Milton Jr. and friend, Bill Johnson, and Mrs. Marilyn Zubik and daughter, Kelley all of Bryan; Mr. and Mrs. Oscar Blocker and son, Richard of Marlin; Mrs. L. L. Walton of Temple, and daughters Mr. and Mrs. N. E. Barron and son, John and Mr. and Mrs. Eugene Smitherman and children, Jeff, Joe and Julie all of Cameron; Mr. and Mrs. J. N. Walton of Marlin; Mr. and Mrs. Gilbert Huseby of San Antonio, and daughter and family, Mr. and Mrs. Howard Davis and children, Stephen, Malony, Heather, San Antonio.

One sister, Mrs. Eunice Holland of Marlin was unable to attend because of ill health. Mrs. Annie Gilmore of Ft. Worth also attended and Mr. and Mrs. Gordon Ray Gilmore and children of Fort Worth son Gary were in Somerville Sunday where they visited his parents, Mr. and Mrs. Dugan Vinton and celebrated Mr. Vinton's birthday.

P. Garner Is Guest Speaker For First Fleur-de-lis Meeting

The Fleur De Lis Garden Club heard a talk on Soil Preparation and Insect Control by Pat Garner, assist. county agent, at the first regular meeting of the year. Mr. Garner was introduced by Mrs. Dean Humble.

Mrs. Eldon Batte and Mrs. Bill Eanes were hostesses for the meeting at Mrs. Eanes home. The door prize was won by Mrs. Gene Friemel.

During the business meeting following the program, plans were made for a bake sale Saturday afternoon in front of Caperton Variety Store and a report on gardening was presented by Mrs. James Wiggs. Yearbooks were distributed and reviewed by the club president, Mrs. Monroe Fuchs.

Next regular meeting for the club will be October 10 with Mrs. Alton Fuchs and Mrs. Gene Friemel as co-hostesses.

Pleasure Profit Club Opens Year With Installation Program

The first meeting of the 1961-62 Pleasure and Profit Club year was held Friday at the home of Mrs. H. M. Yager. Refreshments of Cheese-cake, coffee, nuts and mints were served to 18 members.

Mrs. Yager, past president, installed this year's officers using a mirror motif prepared by Mrs. Jimmy Asher, a former member. The following were presented with a miniature looking glass and given a charge pertaining to their office: Miss Lois Randolph, president; Mrs. Bartow Jackson, vice-president; Mrs. B. Wiese, secretary-treasurer; Mrs. Earnest E. Dodd, historian-reporter.

Miss Randolph gave an acceptance speech after which she presided over a short business meeting.

The new year books were introduced. "The Challenge of Being A Woman" is the theme for the club year.

94th Birthday Is Celebrated Here By Mrs. Mary Chapman

Mrs. Mary Chapman celebrated her 94th birthday at her home, 1506 N. Houston. About 40 friends called during the day and a family dinner party included her three children: Mrs. R. A. Griswold of Cameron, Willard Chapman of Temple and Mrs. Ida Smith of Corpus Christi.

Born in Alabama, Mrs. Chapman moved to Milam county as a child. Her husband, the George Chapman, died in 1939 after many active years as a farmer in the county.

Mrs. Chapman has lived in her present home for the past 12 years and is a member of the First Christian Church.

She is a proud grandmother boasting 10 grandchildren, 11 great grandchildren and 2 great-great grandchildren.

Miss Sarah Rivers Engaged To Billy Wolverton

Mr. and Mrs. Guy Rivers, of Route 3, Cameron, announce the engagement and approaching marriage of their daughter, Sarah Jeanet, to Billy Dean Wolverton, nephew of Mr. and Mrs. C. W. Lewis of Rockdale.

The bride elect was a 1961 graduate of Yoe High School. She is now attending Durham's Business College in Austin.

The bridegroom attended Rockdale High School and is presently in the United States Navy on board the U. S. S. Bon Homme Richard.

TEL Class Meets With Mrs. West

Mrs. I. N. West was named president of the TEL Class of the First Baptist Church at their meeting in her home last Thursday. Other officers elected were Mrs. John Haus, first vice president; Ella Clard, secretary and Mrs. W. M. Fannin, teacher.

The opening prayer was lead by Mrs. M. A. Baggerly and the devotion was given by Mrs. W. H. Fannin. The hostess gave a reading of poems. During the business meeting it was announced that \$785 has been donated to the church through the TEL Class in the past three months.

Refreshments were served to the 16 members and 2 visitors present and a closing prayer was given by Mrs. Emmett Carson Sr.

Mrs. H. H. Pruett Hosts HD Meeting

Mrs. H. H. Pruett was hostess to the Cameron Home Demonstration Club Sept. 19.

Mrs. Francis Johnson, home demonstration agent, displayed various cooking utensils and discussed qualities of each. Each member was given pamphlets of recipes entitled "Sweets for the Pressure Sauce Pan."

Hostess served a salad plate to the eight members and one guest.

DAR's Recognize Constitution Week

Members of the Sara McCalla Chapter, Daughters of the American Revolution, met Thursday, September 21, in the home of the Regent, Mrs. T. F. Criswell with 2 guests present, Mrs. B. F. Robinson and Mrs. S. A. Cottle.

After the reading of the ritual and pledge of Allegiance to the Flag, Mrs. G. A. McDermott, National Defense Chairman gave a short talk on Communism's march toward world government through peaceful infiltration in churches, clubs and public and private organizations; their attempt to use the power of the labor unions and the attempt to cripple the United Nations.

Mrs. Graham Gillis, program leader, presented a talk on the Constitution in recognition of Constitutional Week and the 174th anniversary of the signing of the Constitution.

She reflected upon the wisdom of the founders who wrote and adopted it, reconciling their differences when necessary through compromises. She stated "The Constitution ranks above every written document for its excellence of its scheme, its' adaptation to the circumstances of its people, the simplicity, brevity and precision of its language, yet retaining definiteness and elasticity."

At the conclusion of the program, the hostess served individual salad

Restrictions have been lifted for certain prior service men who have been separated from the regular Army more than 90 days, according to Sgt. Bill Donkel, U. S. Army recruiter.

Former enlisted men discharged in grades sergeant (E-5) through sergeant first class (E-7) may reenlist after 90 days and within 24 months in grades held at time of their release from active duty. Qualified applicants must possess a critical military occupational specialty (MOS) and must not be a member of a reserve component. Prior to reenlistment approval must be obtained from Department of Army which will be initiated by recruiting personnel.

Sgt. Donkel further stated that this also applies to former enlisted members separated in pay grades of private first class (E-3) and corporal (E-4) who possess a MOS where a vacancy occurs.

Those who have been separated for more than 24 months and up to 36 months in grades of sergeant (E-5) through sergeant first class (E-7) may reenlist in one grade lower than that held at time of discharge.

Some of the fields in which critical military occupational specialties exist include air defense, engineers, communications, bands and many others.

For further information on the qualifications and a list of the military occupational specialties, visit Sgt. Donkel at 11 West Central, Temple or call at the Post Office in Cameron on Tuesdays at 10 a. m.

An estimated 750,000 Texans served in World War II.

Mrs. Horlica Dies In San Antonio

Mrs. Evie Horlica, 36, died September 24 in Santa Rosa Hospital in San Antonio. She had lived in Milam County all her life.

She is survived by her father, Wiley Whittington of Cameron, a son, Arthur Hall of San Antonio and two grandchildren.

Also surviving are 5 brothers; Quincy Whittington of Houston, Marion and Ollie Whittington of Cameron and Riley Whittington of Emporia, Kansas and B. A. Whittington of Waco, and 4 sisters, Mrs. Janice Price of Cameron, Mrs. Florence Rose, Mrs. Effie Scarbrough, and Mrs. Gertrude Condry all of Houston.

SOIL CONSERVATION WINNERS

The Lipscomb, Red River and Nueces-Frio-Sabinal soil conservation districts were named grand award winners in the Goodyear Tire and Rubber Company's 14th annual Soil Conservation Awards Program. In making the announcement, Jack Barton, extension soil and water conservation specialist, said six men, two from each district, will be guests of the rubber company on a four-day visit to Arizona in December.

Yoemen Topple Elgin In Friday's Thriller

Yoe Backs Sparkle In 27-0 Win At Elgin Long Runs Top Game Highlights

By Robert Mann

Amos Doskocil, Ernie Bayer, and Craig Wallace continued their top football performances in leading the Cameron Yoemen to a 27-0 victory over the Elgin Wildcats Friday night in Elgin.

Doskocil gained 120 yards with the ball in 10 attempts; averaging 12 a carry. Bayer romped for 50 yards in 9 attempts, scored 2 touchdowns, and showed his usual form as a back-breaking defensive player. Wallace accounted for the Yoemen's second TD on a 19 yard, second quarter, pass deception.

Slow to get rolling, the mighty Yoemen didn't reach paydirt until mid-way through the second period when Bayer swept around right end for 15 yards. Ronald McWilliams extra point kick was good.

Two minutes later, Bayer hit Wallace with a pass good for 19 yards and 6 points. McWilliams kick was blocked this time.

Bayer went over the white stripe for the second time early in the third quarter on a 7-yard plunge. He also carried across for the 2 extra points.

The play of the night is credited to Doskocil on his 65 yard breakaway run in the final period that accounted for the Yoemen's final 6 points.

Doskocil made his dash on the third play from Yoemen scrimmage mid-way through the final quarter from the Cameron 35 yard line. Up the center, out of the grips of two tacklers, and outdistancing two others, he rambled straight to the goal.

Stanley Kirk was the warhorse of the Cameron defending line. Teaming with Eugene Schattler, Bayer, Doskocil, and Bobby Hillman, the five laid the Wildcat sprinters flat on their backs short of the line of scrimmage numerous times during the conflict.

The Wildcats were playing without the assistance of highly-touted quarterback, Larry Larsen, suffering from a pulled leg muscle.

Small, fast backs, like Rudy Limas, Glen Zieschang, Jerry Norwood, Julian Flores, and Douglas Creppon almost made the difference. But their efforts fell short against the larger Cameron defenders.

FIRST QUARTER

Elgin received the opening kickoff and ran the ball back to their own 30 yardline. Glenn Zieschang and Rudy Limas alternated with the pigskin before being forced to punt on fourth down.

Zieschang booted out 25 yards to the Cameron 40 where the Yoemen played butter-fingers and dropped the ball. Elgin recovered.

The Wildcats stayed on the ground with their plays and crept to the Cameron 10 yardline, but Cameron's last stand proved better then Custer's and Bayer threw Limas for a 2 yard loss on a 4th down, possible first, situation.

Bayer, Doskocil, and Woodum failed to make headway and James Anderle kicked out to the 50 yardline from his own 10 on the 4th down.

Limas got 4, Norwood 5, and 6 for a first before Johnny Krenak put the halter on him. Limas picked up 6 yards and Flores got 4 for another first down.

SECOND QUARTER

A 5 yard penalty put the Wildcats to far out for a running first so they switched to the air and missed the boat on a last down attempt.

Doskocil plunged through the Elgin Elgin line twice, for 2 and 4 yard gains. A pass went incomplete and then Bayer tossed a 35 yarder to Thomas Leonard, in the open when he caught it, surrounded by speedy Elgin defenders before he could reach the goal with it.

Bayer carried around right end on the next play for a 15 yard TD scamper. McWilliams kicked good for the 2 extra points.

McWilliams proved his worth again seconds later on the recovery of a lateral pass fumble, giving Cameron possession on the Elgin 38 yardline.

Bayer tossed a pass to end Dan Brashear for a 14-yard gain; and picked up 5 yards on 2 runs himself, before passing to Craig Wallace for 19 yards and the second Cameron touchdown in the last 3 minutes.

The Elgin line blocked McWilliams' attempt for an extra point kick and the Wildcats efforts to gain any yardage after the kickoff were nil.

SECOND HALF

The fighting Yoemen wasted little time in the third quarter. Bayer plunged over for a 5 yard gain. Doskocil lost a yard, then picked up 2. Bayer threw a 14-yard completion to David Walston, the third time in the past 3 weeks that a Walston pass reception set the stage for a touchdown.

Doskocil carried the ball to the Elgin 7 on a 20 yard end run setting an extra close - up scene for Bayer's TD. Bayer went over from the seven and then accounted for the 2 extra points on another jog up the middle.

A 20 - yard pass and two short gains brought the ball to the 50 yardline for the Wildcats where they punted 30 yards to the Cameron 15. Bayer picked up a 15 yard gain and a Cameron fumble was recovered by James Daughtry.

Limas picked up 4 yards on 2 carries and Bayer messed up a Wildcat pass. Elgin lost the ball on downs and Cameron took over. Walston picked up 4 yards and then a Yoemen fumble gave Elgin the ball again, this time on the Cameron 29 yardline.

A 5-yard penalty and 2 incomplete passes placed Cameron in possession on their own 23.

Doskocil picked up 4 and 9 yards and Wallace was stopped cold at the line of scrimmage. Norwood intercepted a Woodum pass but the Elgin crew failed to get anywhere with the ball and the Yoemen took control on their own 39.

Bayer got 1 and Walston was thrown for a 5 - yard loss; then came Doskocil. Almost brought down by two tacklers, Doskocil stumbled forward, fell against his own man and found himself facing an open field and away he went, 65 yards to paydirt.

The extra point attempt by McWilliams missed.

10-2 Records Ties

Two Cam-Roc Teams

Mondrik Minimax and Childress Insurance and Real Estate are tied for top place in the Cam-Roc Bowling League with a 10-2 record.

Mondrik's also had the top series game with a 2213 - 785. Farm and Ranch was second with a 2152-744 and Acme Metal had the third place series with a 2079 while Green's Funeral Home had the third best game with a 738.

The league's top average bowler, Annette Mees, had a 519 series and 198 game to take top place in both divisions. Milady Hollas had a 509 - 192 to take second place. Eleanor Lamplin had a 485 182 for third place.

Annette Mees has a 162 average to lead the league. Milady Hollas is second with a 155 and Ida Michalka is third with a 151.

CAMERON HERALD

VIEW ON SPORTS

— WITH ROBERT MANN —

"Where's Larson", shouted more than one Cameronite last Friday night during the Elgin - Cameron gridiron tilt. Referring to Larry Larson, highly touted Wildcat quarterback.

In contrast to Cameronite questions, Elgin replied, "He's hurt, has a pulled muscle in his leg and you are lucky".

Larson could have made a difference in the 27 - 0 upset of Elgin last week, but true Yoemen fans really doubt that it would have made much difference.

If the mighty Yoemen ever had a night, last Friday was it. They could do no wrong; blocking was excellent; broken field running was spectacular; pass reception and interference work was good; and determination was high.

Out to get Elgin for last years defeat, Cameron wasted no time, although the Wildcats were the first to get inside the opposing team's 10 yardline, a driving defense soon posed as a brick wall and stopped all Wildcat running attempts.

Dan Brashear and Thomas Leonard played upsy - daisy with the pigskin but each hurled in long passes that set the scene for Yoe touchdowns.

VOS

An interesting article appeared in last week's Family Week magazine, entitled, "Should Kids Play Football."

This is an offspring story of Cameron's school board banning of Junior High contact sports.

The article was written by H. A. Lowe, M. D. He said, "Yes,"

Yoemen To Meet Georgetown

Cameron's Fighting Yoemen face a one - man team tomorrow night in the Georgetown Eagles. That one man, Jim Kauffman, is a 180 pound senior fullback.

The Eagles, coached by B. E. Birkelbach, are in the process of repeating their last year record of 7 wins and 3 losses; thus far with dry luck. Two weeks ago they were upset by the Rockdale Tigers 12 - 7.

The only other regular with any past experience is Jimmy Hilcomb, Junior end. There are 7 lettermen

Badgers Score Win

By Jack Ruzicka

The Buckholts Badgers ruined the Normangee Panthers Homecoming Friday night at Normangee. The Badgers trounced the Panthers 46 to 25.

Both teams had trouble starting offensively. The Panthers capitalized on a Badger fumble and scored late in the first period. The TD was on a pass play from Earl Stone to junior Windsor covering 30 yards. PAT failed.

Buckholts halfback Bobby Malovets scored the Badgers first TD on a 2 yard plunge. The TD was the first of five for Malovets Jack Ruzicka passed to Buddy Inge for the PAT.

The Badgers scored in the second period on a 15 yard run by Malovets. Ruzicka hit Inge for the PAT.

Stone again hit Windsor for 15 yards and a TD for Mormangee. PAT failed.

The halftime score being 14 to 12 indicated a close game in the second half, but the Badgers scored three times in the third quarter.

Speedster Malovets scored two of these third period TDs on identical 6 yard runs. Both the PAT's failed.

Inge, playing a very alert defensive game, intercepted a Panther pass on the Panther 20 yardline and raced into the end zone. Ruzicka connected with Gerald Bales for the PAT.

Freshman back Leonard Fritz ran another TD for the Badgers from the 5 yard line. PAT failed.

Normangee scored in the last period on a 65 yard run by Joe Roberts. PAT failed.

The Badgers last touchdown came on a 25 yard run by Malovets which was his fifth of the night. Ruzicka hit Pat Wallace for the PAT.

The Panthers ended the scoring with a one foot plunge by Earl Stone. Roberts ran the PAT.

Playing a good defensive game for the Badgers were Lenard Fritz with eight tackles and Morris Jones with six tackles and an interception.

CLEAN STYLING -- The clean, uncluttered styling of Buick for 1962 is exemplified in the Electra 225 series with its sporty roofline and tailored rear decklid. Long sweeping lines of front and rear fenders make the car look bigger without increasing its size. This is on the three major Buick lines for 1962 on display at Woodum Auto Sales, Cameron.

Proper Lawn Care Prevents Brown Patch

College Station, Sept. 23 -- Brown patch on lawns is causing much concern in all areas of Texas, reports Harlan Smith, extension plant pathologist. Even though it is much more common in high rainfall areas, it begins to occur during the summer in the Panhandle. By October, all areas of the state have been affected. In the Houston area and further southward, the disease remains to some extent throughout the winter and early spring.

The disease first appears as brown circular areas from 4 to 48 inches in diameter. Because the fungus is most active on the outer border of these circular patches, the infected areas may take on a "smoke ring" appearance. During the latter stages of infection, circular patterns may run together and no longer be evident, says Smith.

Leaves usually start dying back from the tip and when they are sufficiently infected they may be easily pulled from the stem. After a few weeks, the grass tends to start growing back in the center of the brown patches. Rarely does the occurrence of this disease cause loss of stand.

Proper lawn management reduces the chances of a lawn being attacked by this fungus disease, points out Smith. Watering lawns in the late afternoon should be avoided, as should letting thick mats of grass clippings accumulate. Water should not be allowed to stand on the lawn, even if it is necessary to fill in low areas with soil.

Certain chemicals arrest growth of the disease organism but none have been found that give complete eradication. Aati-dione R2, Terralclor, Ortho Lawn and Turf Fungicide, Terson-OM, Panogen Turf Spray and Merban provide some measure of control, says Smith. Read and follow carefully the manufacturers recommendations on the labels of these products.

NOTICE OF BUILDING SALE

INVITATION TO BIDDERS

First Presbyterian Church, Cameron, Texas will sell to the highest and best bidder, frame residence at corner East Fifth and North Central, North of church building. Residence to be removed from property within thirty days after purchase of materials with in forty five days if razed on site. \$2,500 Award

Alcoa Announces 1962 Scholarship

Children of Alcoa employees who are seniors in Cameron, Milano and other high schools in this area were invited this week to apply for the 1962 Alcoa Foundation Scholarship Award. The scholarship, which totals \$2,500 over a four-year period, has been offered since 1954 to sons and daughters of Alcoa employees.

R. R. Sugg, Alcoa's Rockdale Works Manager, said that Milam County School Superintendent H. D. Maxwell would again serve as chairman of a group of school superintendents who will determine the winner. Superintendents from Cameron, Milano, Caldwell, Rockdale, Thorndale, Thrall and Taylor will serve on the Selection Board.

Applications for the scholarship are available from Alcoa employees' supervisors at the Rockdale Works or through the works public relations office. The applications, after being completed, are then turned in to the high school principal by October 23.

Seniors who qualify must have a high school grade average of C- plus or better or be in the upper half of their graduating class. The parent of the student must have had continuous service with Alcoa since January 1, 1957.

Applicants will meet with the

Selection Board twice and take college board tests at Austin. Transportation to Austin will be provided by Alcoa. The winner will be announced early next spring.

School superintendents who are members of the Selection Board are: Charles Ziegler, Cameron; James Griffin, Milano; J. M. Hare, Caldwell; J. M. Moorman, Rockdale; R. N. West, Thorndale; A. K. McCown, Thrall; and T. H. Johnson of Taylor.

The Works Manager indicated that he was very pleased with the results of the scholarship program since it offered its first award in 1954. To date, four students have graduated, three are upper classmen, and one is entering college this fall. Sugg also announced that George Bredt, Rockdale; Oxsheer Smith, Cameron; C. A. Wunsche, Thorndale; and Carlos Parker of Taylor will work with him this year on the program's Sponsoring Committee.

Scholarship winners from previous years include Mrs. Billie Jean Owens, Mrs. Frances Strelsky and Jeral D. Wise of Milano; Mrs. Ginger Neill, Lee Hyder and John Crow of Rockdale; Mrs. Vernell Kastner of Lexington; and Miss Jo Ann Burruss of Taylor.

Now here—a great new exclusive from Buick

ADVANCED THRUST

Moves power forward for air-to-straight going

It puts the engine ahead like the tip of an arrow • It tames "wind wander" and road sway • It sweeps you forward in a hush of luxury • It turns the floor hump into foot space.

WHAT IT IS—Buick's big new move: It positions the great new Wildcat V-8 and Turbine Drive way up front over Buick's front wheels.

WHAT IT DOES—As the engine went forward, the floor hump went DOWN. And, the forward weight makes wheel response far quicker, cornering far surer, ride far smoother.

WHY YOU'LL LOVE IT—It's the closest you can come to sports car handling in a passenger car. Distances shrink before its 3/4-G thrust. Hills disappear. Lean on curves is gone because the frame's gone wider. Winds don't make you wander. It's going at its Buick best!

62 BUICK

103 EAST 4TH ST.

WOODUM AUTO SALES

CAMERON, TEXAS

George Childress Real Estate

NOW HEAR THIS

56 acres 3 miles from Cameron. Excellent 4 wire fence, two tanks. Good well. \$5250. (ABOVE FARM HAS BEEN SOLD)

THAT KNOCKING YOU HEAR is opportunity. Here is that chance to own a business of your own. The DAIRY KING, located on Hiway 77, is a good business opportunity. See us for a complete inventory and other information about this fine business. Appointment only.

RETIREMENT SPECIAL

A good 2 bedroom home worth the money just a few blocks from town. Perfect place for retired or semi-retired couple. Bargain priced at \$5250. Appointment only.

TWO BEDROOM BRICK

This 2 bedroom, located on a corner lot, has a good chainlink fence and a good garage with lots of storage area. The best thing about it is the LOW, LOW price.

THREE GRAND

you won't find a 3 bedroom home in Cameron area to compare with this one for \$3000. Located just beyond the North Cameron city limits, this home is located on one - half acre of land. Has a fair garage and workshop. All city conveniences including Butane tank, good well with pump. Needs painting and minor repairs.

CAMP HOUSE 0

Excellent 3 room house to be moved. Ideal for outdoorsmen who don't want to rough it too much. 480 square feet. Sheetrock walls. \$1,100.

GREEN ADDITION

Lovely 3 bedroom on LARGE corner lot. Fenced yard, lovely landscaping. A very good price on this one. Appointment only.

IRRIGATED STOCKFARM

You name it and this place probably has it. Irrigation system, including pump and aluminum pipe with sprinkler heads. Lovely 3 bedroom air conditioned brick home. BIG water tank. Little River frontage. Appointment only.

RMS AND RANCHES

120 acres near Zabcikville. 154 acres near Yarrington. 36 acres near Cameron. 42 acres near Hanover.

WE NEED LISTINGS FOR: Dairy acreage, 3 bedroom homes, small farms, large cattle acreage, small river frontage acreage (high and dry.)

A Vote For Disappointment . . .

It was disappointing to many Central Texans when the property owners in the Elm Creek Watershed chose to defeat a bond issue for the second year running.

It was not a ringing defeat, the vote of 479 against to 348 votes for the \$100,000 issue, which would have triggered the construction of 60 water structures over a period of years.

Much of the loss came because of upland farmers' not wishing to shoulder part of the tax load for construction of the dams in the bottomland of the Watershed. Others voted against it, it was said, because of the current crop conditions, particularly from Yarrelton north-westward.

In retrospect, crop conditions now may have been precisely the reason to favor the proposition. But that is hindsight.

What concerns forward-looking Cen-Texans is whether this two-time defeat of a Watershed proposal is the mark of majority attitudes toward improvements in agriculture. If so, we can expect even further losses to the West Texas area in cotton or to counties such as Robertson where irrigation is practiced to a real success. This is not to mention continuing problems in other crops requiring water (And what crops do not?)

It seems that more that voted on

the issue, the higher the percentage againsts it. It leads us to believe that it is popular to call progress by any other name and watch the negatives outdraw the positives.

Voting in the Milam County box at Yarrelton for the issue comprised 27 per cent of those in favor of the bond election. It was 92 for the bonds. And it was 115 against them.

We are in agreement about there being too much government in many facets of the national character these days. Government, it is justly said, should do what citizens cannot do for themselves. This was a case where the individual farmers or property owners will have difficulty, if any real success, in countering either a rampant or a dry Elm Creek condition.

The vote will stand, perhaps as a permanent tribute to a willingness to let needless chance influence a whole area's agriculture fortunes. And perhaps this when Central Texas agriculture is admittedly in need of rigorous recovery.

We hope this vote does not mean that agriculture in Central Texas will sustain the one-third bale to the acre, the powder dry upland, the of times boggy bottomland, the look of futility on a farmer's face when nature needlessly snatched at his crops, roads and fences away.

UN Center Of Crisis . . .

There is lots of jockeying going on at the UN in New York following the President's speech on the various crises around the globe.

Soviet Foreign Minister Andrei Gromyko responded with a major policy address, suggesting the UN be the mediator in resolving the Berlin situation.

Enthusiasm was generally strong for President Kennedy's address, much of a warning against continued Soviet hydrogen testing and against ank backing down in Berlin.

Response to the Russian's talk was vague.

Possibly the biggest problem ahead is any attempt to let the UN resolve the Berlin question of admitting Red China is being discussed; and Russia wants a veto-powered troika setup just

below a new UN secretary-general, succeeding Dag Hammarskjold.

If either or both propositions were allowed in the UN, it would likely be the reasonable end of UN effectiveness. And to submit any issue such as the Berlin crisis to a Communist-leaning UN General Assembly would be almost futile.

Both the U. S. and Russia have committed themselves to stand at Berlin with side announcements that negotiation for the peace of the world is possible and necessary.

Deciding factor in the big UN decisions to come will be the neutralist bloc, some 40 newly independent nations. Chances are that Red China will gain UN recognition this year or next, even before Berlin is an issue decided.

Dateline — Austin

Daniel Will Call Special Session

By Vern Sanford
Texas Press Association

AUSTIN, TEX. — As the weeks go by and new emergencies arise, Gov. Price Daniel finds more reasons for calling Texas Legislators back to Austin for another special session.

In addition to the Governor's unfinished program, Hurricane Carla has produced other reasons:

It is definite now that the Governor will ask for more money for the Highway Patrol and for the National Guard. He had to advance money to the Guard, from his emergency fund, to pay salaries and expenses of Guard units called up for hurricane duty.

Major General James E. Taylor, the state adjutant general, said that the 2,300 men and 800 vehicles called out for hurricane duty made up the largest peacetime operation in Guard history.

After Governor Daniel's aerial tour of the hurricane-struck coastal area, he estimated that some 3,000 lives would have been lost had it not been for the organization of civil defense, coordinating with local groups, to evacuate the area.

He also estimated \$400,000,000 loss to public and private property.

"I can see now that we need to provide more money for the National Guard and we need to provide more Highway Patrolmen, too," said the Governor. "I'm sure I will add those to the call for a special session."

Rep. C. W. Pearcey Jr. of Temple proposed that the legislature permit cities and counties to issue bonds to make loans to disaster victims.

Speaker James A. Turman asked the House general investigation committee to start an inquiry into the payment of insurance claims as a result of Carla. He said many hurricane victims were surprised to learn that much of the damage was not covered by insurance. Adjusters held that their windstorm and hurricane policies did not include flood damage even though caused by the hurricanes.

Governor Daniel, irked over the adjusters' interpretations, urged policy holders not to be too hasty in settling their claims.

STORM CROP DAMAGE EXTENSIVE

The U. S. Department of Agriculture at Austin says the recent hurricane caused the most extensive wind and rain damage to crops, fields and pastures, ever experienced.

Of the prospective 100,000 bales of cotton in the fields, about \$11,000,000 worth was probably lost, the USDA said. Additional losses will result from grade reductions, the agency states.

JANUARY SESSION TALKED

LETTERS

September 21

Dear Sir,
I don't know who to write to so I am sending this letter to you in hopes some of you will at least know how much we appreciated your kindness while we were storm refugees during Carla.

There was about thirty of us together and the kind people in your town put us up in a little building across from the Methodist Church. We were fed in the Church and they told us to entertain our teen-agers over there.

There was a judge who kept us posted as he received the news from here. The minister came by to see if he could help and the morning we left a lady came by and offered to wash for us. All of this happened to us and I know other refugees had the same experiences.

I wish I could thank each one of you personally but I can't. I only hope that if the situation is ever reversed that we can be as generous as you people were.

I know we looked bad as some of us felt, yet you welcomed us into your homes and heart. May the Lord bless each of you. Your reward will be waiting you.

Thank you again for the thoughtfulness and kindness.

Sincerely,
Exa Mae Keller
Mrs. R. A. Keller

LETTERS

Sept. 20, 1961

S-Sgt. Joe L. Vybiral,
Administrative Technician
Co. C 3D Med Tk Bn (Patton)
112th Armor
P. O. Box 577
Cameron, Texas
Dear Sgt. Vybiral,

We would like to say a word of "thanks" for all the kind deeds performed by you and the citizens of Cameron to make us comfortable on our recent "refugee" trip.

Of course, no amount of thanks can express the feeling of the safety of the four walls of the Cameron Armory, offered us. The food, clothing, games, TV, radio, freshly slaughtered lamb and just everything provided will be remembered by us for a long, long time.

By the national news, we understand you of the 49th have been called to active duty - as a very small token of thanks to the men who were so good to us, we are enclosing a check which we hope you will use for a "party" before you go. We wish it could be for lots more.

Our "open house" invitation to drop in still stands to you and your men and families. We aren't always refugees and our house is always open to you and yours.

The best of luck to each of you where ever you are ordered but always remember you have the folks with the warmest hearts right there at home.

God bless you all.
Mr. and Mrs. Charles R. Brown,
Bernard Brown, Leslie Brown, Gary Poindexter, Tommy Palmer and "Skipper"

We were very fortunate our home was not touched by the winds or water of the hurricane.

LITTLE RIVER PHILOSOPHER

Philosopher Says Russia's Idea Of U. N. Is Like Bank Robber Serving As Own Jury

Dear editor:
While I have always suspected that joining up the countries of the world in the United Nations was a laudable goal but about as hard as uniting a bunch of farmers, and while I can't name off-hand very much the U. N. has done, still it must represent a threat to some form of disorder or Russia wouldn't be concerned with it.

However, I'm not going into a discussion of the U. N. - not just because I'm ignorant of it, that's no excuse for not discussing anything! you set up a standard that a person has to know what he's talking about before he talks and nine-tenths of the conversation would stop - but what interests me is Russia's idea that the U. N. ought to be run by a three-man board, one from Russia, one from the United States, and one from some place else, each with the right to veto the other two.

I have given this proposal careful thought, and the best I can figure it out, it'd be like trying a bank robber before a three-man jury consisting of the judge, the prosecuting attorney, and the bank robber, with a unanimous vote necessary for conviction.

It'd be like me borrowing money from the bank, with an agreement that before the loan could be called in, me and the banker both would have to vote unanimously on whether or not to foreclose on me.

I don't believe Russia will get anywhere with this proposal, yet on the other hand I doubt if the United Nations will get anywhere as long as it has Russia on its hands.

Yours faithfully,
J. A.

FRESH APPROACH - The 1962 Ford Galaxie line features a crisp, fresh approach to Ford's classic styling. Here is the Galaxie 500 Sunliner convertible,

one of 12 models in the line. While the new Galaxie is slightly shorter and narrower than the '61, the large passenger compartment is the same size.

Ford Galaxies Add Features

Featuring a crisp, fresh approach to Ford's classic straight-line styling, the 1962 Ford Galaxie incorporates major engineering advancements that reduce recommended owner maintenance to a convenient "twice-a-year" level.

For the first time, the popular Ford Galaxie is being offered in twelve models in two series: The Galaxie and the new Galaxie "500" series.

The 1962 Galaxie is the first regular production vehicle in automotive history to have a factory recommended 6,000 - mile service interval.

Lee A. Iacocca, Ford Motor Co.

Company vice president and general manager of the Ford Division, said that in addition to the many self-maintenance features introduced on the Galaxie last year, 1962 Galaxies will offer:

- 30,000 mile lubrication for wheel bearings.
- A factory radiator coolant good for 35 degrees below zero and with a normal change interval of 30,000 miles or two years.
- Extended fuel filter life of 30,000 miles.
- A recommended oil change interval of 6,000 miles.

Galaxie gives the appearance of actual motion to its unmistakably classic Ford lines. This appearance of movement is emphasized in the recessed Thunderbird-like rear window, and in the forward thrust of the roof itself.

The rear fenders, with a peak line in their upper surface, parallel the roof line to further the impression of forward movement and develop the large circular tail-light in the rear. Three sculptured wind splits, one on each fender and another running lengthwise through the center of the hood, are repeated in effect in the rear deck lid and rear fenders.

While the new Galaxie is slightly shorter and fractionally narrower than the 1961 model, the large passenger compartment is the same size as 1961. Large door openings, coupled with Ford's convenient two-position door stops, make entering and leaving the Galaxie an easy and natural movement.

The ideal dimensions and easy steering of the 1962 Galaxie result in greater parking ease and maneuverability.

There are 12 models in the Galaxie 500 series: Galaxie 2- and 4-door sedans; Galaxie 500 2- and 4-door sedans and hardtops and a convertible. In the station wagon series five spacious vehicles are offered: the 4-door 6-passenger Ranch wagon, 4-door 6- and 9-passenger Country Sedans, and 4-door 6- and 9-passenger Country Squires.

Clarkson Surprise Party Fetes Mrs. Piske

By Mrs. J. A. Blasienz
Mr. and Mrs. Alfred Kohring, Mr. and Mrs. Lloyd Stobner and children spent last Sunday with Mrs. Velma Piske and family of Sharp. Other guests were her children, Mrs. Jimmy Ferguson and family of Cypress, Mr. and Mrs. Garrett Piske, Jr., and family and Mr. and Mrs. Billy Gene Piske of Ft. Worth and Mr. and Mrs. Finis Vogie and daughter of Sharp. This get together was a surprise for Mrs. Piske on her birthday.

Mr. and Mrs. Leonard Daskocil and children of Burlington, and Mr. and Mrs. Billy Stuessel of Temple have been recent guests in the Amos Daskocil home.

Mr. and Mrs. Charles Vitek, and their son and family, Mr. and Mrs. Louis Vitek of Temple visited Mr. and Mrs. Harding White of Freeport last week end.

Mrs. M. H. Behne of Waco visited her daughter and family Mr. and Mrs. George Dodd last week. Mr. and Mrs. Clarence Dodd and sons of Austin, and Mrs. Murphee Tyson and Miss Mabel Tyson of Maysfield have been recent guests of Mrs. V. D. Dodd.

Mr. and Mrs. V. W. Hauk, Marilyn and Larry visited relatives in Bryan last weekend.

Mr. and Mrs. Lloyd Stobner and children of Ft. Worth spent their vacation here with her parents, Mr. and Mrs. Walter Kohring and with his parents, Mr. and Mrs. Will Stobner of Burlington.

Bill Reeves of Temple has been visiting his sister and family Mr. and Mrs. Bill Harrison.

Mrs. Archie Wilson of Bryan spent Thursday with Mr. and Mrs. J. A. Blasienz.

Population center of Texas is near Waco in McLennan County. Land area of Texas is 263,513 square miles.

REHEARSING SCENES for "Evening With Shakespeare" at Central Texas Area Museum in Salado 7:30 p. m. Saturday, Sept. 30, are two professors of drama and speech at Southwestern University, Dr. Angus Springer (standing at left), head of the department, and Charles Taylor. The Central Texas Museum sponsors regular special programs for visitors at Salado.

Cen-Tex Museum To Host Program On Shakespeare

An "Evening With Shakespeare" is scheduled for Saturday, September 30, at Salado-on-the-Salado (River).

Two Southwestern University professors of drama and speech give a dozen or more favorite speeches from as many plays at the Central Texas Area Museum at 7:30 p. m. There is no admission charge.

Reading from Shakespeare will be Dr. Angus Springer, head of the drama and speech department in the Southwestern University School of Fine Arts, and Charles Taylor, also of the speech and drama department.

Selections for this unique program will come from "Henry V", "Hamlet", "Richard II", "Merchant of Venice", "Richard III", "Macbeth", "Julius Caesar" and others.

The audience may request favorite passages not included in the program.

The program is one of a series sponsored by the Central Texas Area Museum. The last program, September 15 included a presentation by Col. Homer Garrison, head of the Texas Department of Public Safety, on the Texas Rangers.

Central Texas Museum is open from 10 a. m. to 6 p. m. Tuesday through Saturday and 1 to 6 p. m. on Sunday.

A number of Milam Counties are members and officers in the Central Texas Museum organization.

Class 8-B Officers

Ada Henderson class of 8-B elected the following officers Friday: president - Valerie Green; Vice president - Nancy Foster; Secretary - treasurer - Lynette Green; Reporter - Jane Conley.

Ben Arnold Local Families Attend Reunion

By Mrs. A. T. Swanzy
Mrs. and Mrs. Walter Strickler and Mr. and Mrs. Raymond Pimpler attended the Strickler reunion at Shelby, Texas last Sunday.

Mrs. Doris Schuetz, Brenda and Karen spent Monday in the home of Mr. and Mrs. Albert Swanzy of Temple.

Mrs. M. D. Swanzy spent Tuesday in the Albert Swanzy home of Temple.

Mrs. Laura Zanders has been staying in the home of Mr. and Mrs. Albert Swanzy while Mrs. Swanzy is recovering from a bad knee due to a fall.

Karen Schuetz, daughter of Mr. and Mrs. Robert Lee Schuetz, was honored with an ice cream and cake party at her home Friday night. Karen was celebrating her second birthday.

Celebrating with her were Mrs. Ellie Schuetz, Temple; Mr. and Mrs. M. D. Swanzy, all grandparents. Other were Mr. and Mrs. Pernitsa, Temple, Godparents; Mr. and Mrs. Sonny Dornier and family; Eugene Hoff; Mr. and Mrs. Sonny Swanzy, Sharon, Don and Joy.

Mr. and Mrs. Leland Burnett and family, William Sweet were Sunday guests of Mr. and Mrs. Bill Sweet and Billy of Hearne.

Mr. and Mrs. Donnie Rice and sons of Houston and Cameron; Mrs. Freda Fatheree and children visited Mrs. Virginia Rice Sunday night.

Rev. and Mrs. Charles E. Cook, Karen and Edwin were Sunday guests of Mr. and Mrs. Sonny Swanzy and family.

In 1950 Texas' population was sixth in the nation.

Jones Prairie Jack Ponds Host Weekend Visitors

Mr. and Mrs. Jack Pond had as weekend guests their children; R. G. (Bob) Pond of Tulsa, Okla., and Mr. and Mrs. Bradley Fuller and children, David, Mary, Jan and Ann of Dallas. Bob is recovering from a broken neck.

Major Polly Atkinson was a Tuesday dinner guest of her sister, Miss Susie Atkinson.

Rev. and Mrs. James Stanley were Sunday dinner guests of Mr. and Mrs. Ed White.

Mr. and Mrs. Clifford Angell and Janet were Sunday dinner guests of her mother, Mrs. Esther Wallace in Cameron.

Mr. and Mrs. T. B. Stidham were Sunday afternoon guests of his sister and family, Mr. and Mrs. Perry Tindall of Calvert.

Mrs. Mildred Martin and Ted attended the Baylor - Wake Forest game in Waco Saturday night with the Boy Scouts.

Milano Sophomores

Elect Class Officers

The Milano Sophomore class elected the following officers: Leland Dees, president; Ward Paschall, vice-president; Wanda Malon, secretary - treasurer-reporter; and Betty Bullard, recreation leader. The class chose the white rose for their flower, red and white as their colors, and "I like it like that" for their motto.

The following mothers were elected room mothers, Mrs. Tommie Cass, Mrs. Lillian Stewart, Mrs. Mildred Simmons, and Mrs. Nellie Malone. Mr. Shelby Smith is the class sponsor.

The Ford in your future will be here tomorrow!

Starting tomorrow at your Ford Dealer's, you will discover a line of Fords so long, so new, so varied that everyone will find his personal Ford—the car that fits his pleasure and needs *precisely!* ■ For those who want a true luxury car, there are two distinguished new series of Galaxies—both swift as a rumor, silent as a secret. With Thunderbird styling, and quality that sets a new industry standard, the 1962 Galaxies give you every essential feature of far costlier cars. ■ If you are looking for economy without

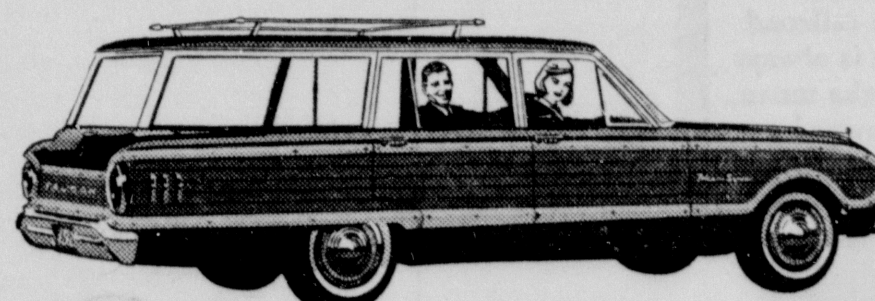

compromise, look to America's favorite compact: this year there are more Falcons than ever to choose from—13 in all. ■ Wagon fanciers will find unprecedented variety—from a new wagon that seats eight to a Falcon Squire Wagon with the rich woodlike finish of the famous Country Squire. ■ Pick the Ford in your future with this confidence: every 1962 Ford is built to a standard of quality so high that it will change all your ideas of how fine, how quiet, how enduring a car can be.

GALAXIE/500 CLUB VICTORIA (foreground)
... GALAXIE TOWN SEDAN (background)
... The Galaxie/500—new in name, new in luxury—is for those who want all of the elegant extras. The 1962 Galaxie makes

it easier than ever to move up to fine-car luxury—at the low Ford price. All Galaxies are beautifully built to be more service-free. They go 30,000 miles between major lubrications, 6,000 miles between oil

changes and minor lubrications. Brakes adjust themselves automatically.

FALCON SQUIRE WAGON ... Brand new for '62, it's sleek and sophisticated. Inside, it is available with Futura bucket seats and console! Outside, it has elegant woodlike steel side paneling.

FALCON FORDOR SEDAN ... Just one of 13 Falcons for 1962, this 4-door sedan has an improved version of the Falcon Six engine that last spring recorded the best gas mileage for a Six or Eight in the 25-year history of the Mobilgas Economy Run.

County Agents Notes

Losses High For Pecan Growers

By J. D. Moore
Milam County Agent

Texas pecan growers in affected areas have suffered tragic losses due to the recent hurricane, according to Extension Horticulturist Blueford Hancock. Thousands of home owners with pecan trees experienced these same losses. Hancock says the losses occurred by pecans blowing or being beaten from the trees, from the many pecans on broken or damaged limbs and by pecans being severely bruised as a result of limb whipping during the storm.

Hancock reports a great deal of anxiety among growers about the possible salvage value of the pecans that are on the ground. He says these do not appear to have any practical salvage value, due to the high moisture and low oil content of the nuts at this time. In addition to the kernel immaturity of the fallen pecans, he says the shucks will not open in a normal manner. This alone would make it practically impossible to salvage pecans because they cannot be shelled mechanically.

Hancock does say, however, that the majority of the pecans on damaged limbs and the pecans that were bruised during the storm should continue development and reach maturity, although the quality will be lowered somewhat. He says the full extent of the damage

Milam 4-H Will Elect Officers

By Pat C. Garner,
Ass't Milam County Agent

All Milam county 4-H Clubs are meeting this month to organize and elect officers. 4-H members have 20 4-H Clubs in towns and communities throughout Milam county.

In several areas Community 4-H Clubs have been started for the first time this year. Rockdale, Milano, Thorndale and Sharp have recently started Community Clubs. County-wide and Ad Hall Community 4-H Clubs have been meeting for some time and have both been excellent clubs.

The remainder of the 4-H clubs are school clubs, located in St. Anthony School, Thorndale Lutheran School, Thorndale Elementary School, Buckholts Elementary School, Gause School, Maysfield School and Davilla School.

In addition to many 4-H school and community clubs, Milam county 4-H members have two subject matter clubs, the Junior Dairy and Sheep clubs.

County 4-H Council will meet this month. Council is composed of 6 elected and appointed officers and the presidents and council delegates from all 4-H Clubs.

age to the Texas pecan crop will not be known for a week or more.

REPAIR OF DAMAGED TREES
Immediate repair of shade trees or ornamental plants, damaged by Hurricane Carla, should be undertaken by home owners, farmers, and others.

Some ornamentals, especially small ones, which were blown over may be righted again. These plants should be returned to an upright position, guyed and staked, roots returned to their normal position in the soil or pruned, and the soil tamped tightly around roots.

Broken tops or limbs of trees should be pruned by cutting the section flush to the stem with a sharp saw. First, the cut surface on trees should be painted with orange schallac, followed by a coat of asphalt base or pruning paint. Additional information on caring for damaged ornamental plants may be obtained in the bulletin B-977, MODERN PRUNING METHODS, from the county agent's office.

GOPHER CONTROL

DEMONSTRATION
A new burrow builder type of plow designed to mechanize the tedious job of gopher control will be demonstrated at the Lee Keen farm one mile south of the Milano depot on October 6, at 8:30 a. m.

This machine fits on the tool bar of a tractor and is designed to construct an artificial runway which is baited with poisoned material as it is made.

The effectiveness of the machine depends on adjustments so that the artificial runway intersects natural burrows so the gopher will find the poisoned bait. This machine was developed by the U. S. Fish and Wildlife Service and will be demonstrated by Mr. Virgil Parsons, District Fieldman for the wildlife Service.

Cooperating in the demonstration are: Mr. Shelby Smith, Vo-Ag Teacher at Milano and the Milano Public School, the U. S. Fish and Wildlife Service and the Milam County extension Service.

The public is encouraged to attend this demonstration.

Marak 4-H Clubs

Elect Officers

The Marak Girls 4-H Club met recently with Mrs. Francis Johnson, home demonstration agent.

Officers elected for the coming year were Rose Mary Tomek, president; Marianne Morris, vice-president; Patsy Klecka, Sec. -Treas.; Margie Vansa, reporter; Barbara Tomek, song leader and Rosalie Vansa council delegate.

Projects of the year were discussed by the club members.

The Marak Boys 4-H Club met recently to elect officers for the coming year.

Named president were Benny Kostroun; vice-president, Edmond Tepera; sec-treas., Frankie Mikulec; reporter, Eugene Vaculin; recreation leader, Anton Vansa and Council delegate, Edmond Tepera.

Waco Candidate

Is Finalist In

Mrs. Texas Contest

Mrs. Truman L. McMinn, Waco, was chosen Wednesday (Sept. 20) as Lone Star Gas Company's South Texas Regional representative in the Mrs. Texas contest in Dallas Nov. 2-3.

Mrs. McMinn won the right to represent the Region as "Mrs. Waco" in the State Finals by out-pointing twelve other outstanding area homemakers. She was chosen following varied competition in homemaking skills at the Raleigh Hotel. She received her crown at a luncheon following the competition.

Mrs. McMinn will meet champion homemakers from Lone Star's West and East Texas Regions and the Dallas and Fort Worth Divisions of Distribution in Dallas Nov. 2-3 to determine the state's top top homemaker.

The homemaker chosen Mrs. Texas will present her state in the national Mrs. America contest to be held Nov. 13-27 at Fort Lauderdale, Fla.

In The Service

HOCHST, GERMANY (AHTNC)
— Walter E. Spells, son of Mrs. Annie L. Spells, 206 Scott St., Cameron, recently was promoted to private first class in Germany where he is a member of the 37th Engineer Group.

Spells, a truck driver in Company A of the group's 299th Engineer Battalion in Hochst, entered the Army in October, 1960, received basic training at Fort Hood, and arrived overseas last March.

Home Agents Notes

Tips To Remove Mildew Stains

By Frances H. Johnson,
Milam Home Demonstration Agent

HOW TO REMOVE MILDEW FROM CLOTHING — Remove mildew spots as soon as they are discovered. Mildew may weaken or rot fabric if allowed to stay on clothing.

Wash mildew-stained clothing at once with soap and water — rinse well and dry in the sun. If there must be a delay in washing, dry clothes thoroughly. If any stains remain after washing in soap and water, a mild bleach will be helpful: LEMON JUICE AND SALT — moisten stain with lemon juice and salt. Spread in sun to bleach. Rinse thoroughly and dry. This treatment could change color of fabric.

CHLORINE BLEACH — dip stains on white cotton, linen or rayon in a dilute solution of sodium hypochlorite or other household chlorine bleach. If stained fabric is colored, test the bleach on a sample of the cloth to be sure it will not change the color. Never use chlorine bleach on wool or silk. Some fabrics treated with a glaze, wrinkle-resistant or other special finishes are damaged by chlorine bleaches.

HOW TO PREVENT MILDEW — Cleanliness in closets is very important in preventing mildew in clothes. Soiled clothes supply food for mildew to start growing when moisture and warm temperatures are present.

Because most manmade fibers, such as acetate, Dacron, Dynel, nylon and orlon are resistant to mildew, clean fabrics of these fibers will not support the growth of mildew producing molds. Thorough cleaning of all soiled fabrics, regardless of the kind of fiber in them, may prevent them from mildewing.

Poorly ventilated closets get damp during continued wet weather and clothes stored in them are likely to mildew. Hang clothing loosely so that air can circulate around it. All clothing wet by rain or perspiration should be dried thoroughly before hanging in closet. Leave closet doors open occasionally to keep moisture from gathering and to circulate the air in the closet.

Burn continuously a small electric light in clothes closets to keep the air dry. The heat from the light will prevent mildew. Keep the closet door closed to conserve the heated air. Be sure to observe precautions against fire in using the electric lights.

Chemicals are used to absorb moisture from air in clothes closets. Two such chemicals are activated alumina and silica gel. They are sold in department and drug stores, sometimes under various trade names. These chemicals are not harmful to fabrics. To use, hang cloth bags of the chemical in clothing closets or place in an open container on the floor of the closet. Keep closet doors closed to

Korean Veterans May Receive Special Dividends

Approximately 393,000 Korea Veterans who have converted or exchanged their "RS" insurance policies for "W" insurance will receive a special dividend as a result of a law signed by the president September 13, John S. Gleason, Jr., Administrator of Veterans Affairs, said today.

An additional 234,000 who have not yet changed from "RS" to "W" insurance may become eligible for keep out moisture.

These chemicals are inexpensive to use because they can be used over and over, if dried between times. To dry, simply place moist granules in a vented oven at 300 degrees F. for several hours. Then put in an airtight box and cool before re-using.

the dividend if they convert or exchange their policies for the new type "W" insurance within two years from the date the law was signed.

Some \$65-million is available for distribution in this special dividend Mr. Gleason said, to liquidate a surplus built up in this non-participating "RS" insurance. About \$35-million of this amount will go to the policyholders who have already changed to "W" insurance. The payments are expected to average approximately \$90 for each policyholder, depending on the size of his "RS" policy, and the number of months it was in force.

"RS" insurance was issued as five-year term policies to Korea Veterans discharged between April 25, 1951 and December 31, 1955. They could not be converted to a permanent plan of insurance and were not eligible for dividends. A new law effective January 1, 1959, established the new type "W" insurance and made "S" policies eligible for conversion or exchange for this insurance on either a permanent or five-year plan.

Payment of the dividend is automatic and application for payment is not necessary. Policyholders who have already converted to the "W" insurance will receive their dividend early in December. At the same time, Korea Veterans who still hold "RS" policies will receive application blanks for conversion or exchange for "W" insurance and notices advising them of the amount of their dividend should they elect to make the change.

The VA urges those eligible for the dividend as well as those who may become eligible by converting to "W" insurance, not to write or call the VA with individual inquiries. Such requests will only delay payment of the dividends the VA pointed out.

Cadillac presents for 1962
the Masterwork of the
Motoring Age

Fleetwood Sixty Special, above; Sedan de Ville, below.

You have had your first look at the new "car of cars". Its name is Cadillac—and its destiny is a place among the most renowned automobiles of our time.

Its new styling is remarkably clean and crisp and graceful—with a look of "rightness" in every line and contour and detail.

Cadillac's new Fleetwood interiors beckon with a jewel-like beauty. There are marvelous new fabrics and leathers... and new conveniences on every hand.

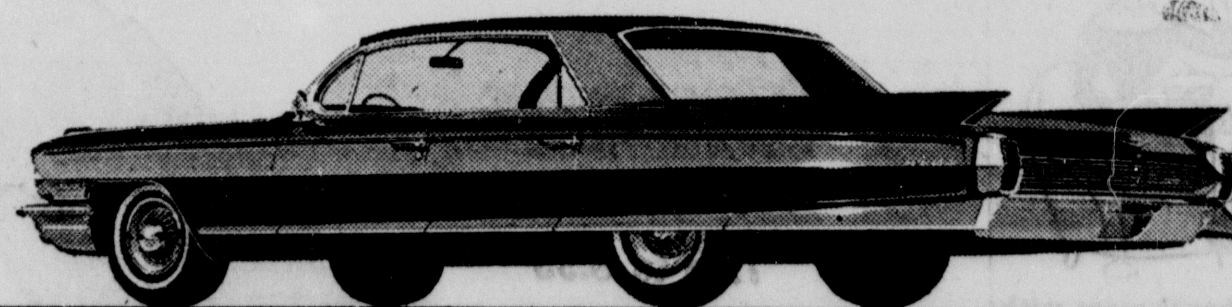

Engineering triumphs include independent front and rear braking... exclusive new cornering lamps that light your way around turns... a revolutionary three-phase rear lighting system... and many other important advances.

Yet, some of the noblest advances cannot be seen. They must be felt and sensed—performance that is incredibly quiet and smooth and nimble... handling ease so great that the mere weight of your hand puts you in command of the road... craftsmanship that is so practiced and so precise that the car has become a marvel of construction and a paragon of dependability.

These new Cadillac wonders are evident in each of twelve new body styles—and are available with the widest selection of interiors in Cadillac history.

Even if you have never before considered a Cadillac—you should take a journey in this one.

It's Cadillac for 1962. You'll be hearing a lot about it.

NEW STYLING — A distinctive styling touch in both front and rear end of the 1962 Chevrolets is a sharp departure from the sloping hood formerly used. The Bel Air 4-door sedan with

twin window splits on the hood is one of 14 new standard size passenger cars offered by Chevrolet in '62. A new Chevy II series will also be shown.

Chevrolet Line Now Numbers 32

Chevrolet's passenger car line-up for 1962 features extensive restyling and major mechanical changes for its standard models plus a new complete line of smaller cars to be known as Chevy II.

Burkes-Howard Chevrolet of Cameron will display all new lines of cars Friday.

This will bring the company's 1962 passenger car line-up to 32 models — highest in its history — available in the Corvair, Corvette, Chevy II and standard Chevrolet lines. These cars will be displayed in Chevrolet dealerships beginning Friday, September 29.

The new Chevy II is larger than the Corvair but smaller than Chevrolet's regular car. Station wagons, a hardtop sport coupe and a convertible are included among nine models in the new line which emphasizes simplicity in styling and

maximum functionalism in design.

Although the Chevy II design is basically conventional, it offers new front-mounted four- and six-cylinder engines, integral frame and body construction with bolt-on front end and an industry exclusive in tapered plate rear springs. Both three-speed manual and automatic transmissions will be available.

From a styling standpoint, the standard Chevrolet for 1962 reflects the greatest change, although Corvair models and the Corvette will also feature a number of appearance changes as well as new exterior colors and interiors.

The new standard Chevrolet features a crisp, tailored look. The 1962 models have completely new sheet metal, grille work, bumpers and ornamentation, as well as new exterior colors and restyled interiors. New roof lines for sedans and the Impala sport coupe also highlight the new styling.

A number of mechanical changes and modifications will improve performance, durability and economy of 1962 models.

Among the major changes are a new 327 cu. in. V8 engine, a new weight-saving Powerglide automatic transmission and tires with advanced two-ply design.

The new V8 engine is rated at 250 horsepower. It replaces the 348 cu. in. engine except for use in heavy trucks. Its performance equals the 348, but fuel economy and engine operating efficiency are both improved.

The redesigned Powerglide will be used with the new V8 engine

Mrs. George Hollas To Head PTC For St. Anthony School

Approximately 50 members of the St. Anthony Parent-Teachers Club met at Simon-George Hall last week for the first of a series of regular monthly meetings scheduled for this school year.

New officers taking office were Mrs. George Hollas, president; Charles McDermott, first vice president; Mrs. Charles McAtee, second vice president; Mrs. James Vessels, secretary; Mr. Vessels, treasurer; Mrs. James Brock, historian.

Committee chairmen appointed by the president for the coming year were: Mrs. W. K. Leonard, Hospitality; Barney McLerran, Membership; Mrs. A. F. Matula, Publicity; Mrs. Anton Hanel, Program; and Mrs. H. J. Litzman, Finance.

Room mothers for the year are: First grade, Mrs. Louis Hollas and Mrs. W. K. Leonard; Second - Third grade, Mrs. Charles McAtee, Mrs. Lawrence Zolt, Mrs. Robert Zarosky and Mrs. Milush Valka.

Third - Fourth grade, Mrs. James Brock, Mrs. Charles McDermott, Mrs. Joe Meeks and Mrs. Alvin Simecek; Fifth grade, Mrs. Clarence Hanel, Mrs. Anton Hanel; Sixth grade — Mrs. Raymond Kurtz, Mrs. Joe Vaculin; Seventh grade — Mrs. Herman Hanel, Mrs. Harold Darby; and Eighth — Mrs. Roy Wohleb, Mrs. Steve Hrozek.

The first grade won the attendance prize for having the most parents present.

It was announced during the meeting that the first school holiday this year will be October 2.

Mrs. Matthews Is Buried Friday

Mrs. Jim Matthews, 60 of Rt. 2, Buckholts died at 2:30 p. m. Wednesday in a Temple hospital following a brief illness.

Funeral services were held at 3 p. m. Friday at the Chapel of Green Funeral Home. The Rev. U. S. Luckey officiated. Burial was in South Elm Cemetery.

Mrs. Matthews was a life-long resident of Milan County.

Survivors are her husband, Jim Matthews; two sons, Manual Matthews of Rockdale and Aud Matthews of Buckholts; three daughters, Mrs. Ora Bell Prater of Rogers, Mrs. Ella F. Peavy of Waco, Mrs. Ora Lee Hardwick of Cameron; one brother, Wayne Chevalier of Houston and 10 grandchildren.

Judge Wallace Will Attend Conference

District Judge W. C. Wallace of Cameron announced plans to attend the annual conference of Texas judges opening Thursday, Oct. 5, at El Paso.

The two-day meeting will attract some 150 members of the State Bar judicial section, headed by District Judge A. R. Stout of Waxahachie, chairman. Subjects to be discussed range from the Texas code of criminal procedure to views of the press toward Texas courts. U. S. District Judge R. E. Thomason of El Paso will address the Friday night banquet, closing the conference.

due to a meeting in Austin which the teachers will attend.

Yoe Students Elect Officers; Owens To Lead Senior Class

The student body of Yoe High School held their first individual class meetings last week and elected class officers.

The seniors chose Billy Owen as president; David Hudson, vice-president; Suzanne Lippman, secretary treasurer; and Robert Mann as reporter.

Tom Moody was elected president of the junior class; Donald Pimpler, vice-president; Carolyn Griwold, reporter; and Carolyn Slavick, secretary - treasurer.

Sophomore president is Jon Zelisko. Dennis Jones is vice-president; James Ray Fikes, secretary-treasurer; and Jane Monroe is reporter.

The freshman class chose as

Sgt. Mortimer In Field Exercises

GRAFENWOHR, GERMANY — (AHTNC) — Army Sgt. James A. Mortimer, whose wife, Lora, lives in Cameron, recently participated with other personnel from the 3rd Armored Division's 13th Cavalry in a four-week field training exercise in Grafenwohr, Germany.

During the exercise members of the "Sparhead" division participated in the day and night tactical maneuvers and various types of range firing.

The 3rd is one of five U. S. divisions in NATO's "Pyramid of their class officers: Robert Woodum, president; Kay Sell, vice-president; Cathy Grimes, secretary treasurer; and La Nell Darby reporter.

Sergeant Mortimer, son of Mrs. Helen C. Mortimer, Route 3, is a tank commander in the 13th's Company C, which is regularly located in Kirch Gons. He entered the Army in 1942 and was stationed at Fort Hood before arriving overseas on this tour of duty in August 1958. The sergeant attended Milano High School.

DAIRY PROFITS

Dairymen are missing a chance to increase profits by failing to emphasize a first rate milking job, points out A. M. Meekma, extension dairy specialist.

FRIDAY

A New World of Worth from Chevrolet for '62!

'62 Impala Sport Coupe—with a roof line that looks like a convertible's

'62 CHEVROLET Rich new styling with Jet-smooth ride!

Here's everything a car fancier could want. Fresh-minted style that comes to a climax in the sportiest sport coupe you've seen yet. A road-gentling Jet-smooth ride. A new choice of V8 skedaddle. Rich Body by Fisher interiors. Beauty that's specially built to stay beautiful. Here in '62 is more than ever to please you from the make that pleases most people.

It's like owning an expensive car without the expense. Check it over from its clean-thrusting prow to its rakish rear deck. Look inside the deep-well trunk. Then—head for the open highway. ■ That sittin'-on-seatin feeling you get is Chevrolet's famous Jet-smooth ride at work—with a pliant Full Coil spring cushioning at each wheel. The standard six and V8 are triggered to do special things on regular gas, and for real hair-trigger reflexes you have a choice of four optional-at-extra-cost V8's with out-

put all the way up to 409 hp. ■ Hard-working helpers (like the new steel front fender underskirts that guard against corrosion) give this '62 its built-for-keeps beauty. Even the heater and defroster come as standard equipment this year. This is the kind of car that will make you feel luxurious all over, and your Chevrolet dealer will be only too happy to show you how easy it is to have one of your own.

Corvair Monza Club Coupe

THE '62 CORVAIR MONZA

Meet the car that puts sport in the driver's seat! Bigger new brakes and Corvair's renowned rear-engine traction offer just about the surest footed going on the road. A new Monza Station Wagon makes its debut. And all models sport freshly tailored upholstery inside matched by sassy new styling accents outside.

This jim-dandy's got the stuff that drivers doze on. ■ Backstage you have a standard aluminum air-cooled engine that turns up 80 hp. (or if you like more razzamatazz, one that uncorks 102 hp!). ■ Sure enough, there's independent suspension on all four wheels to keep the ride as amiable as ever. Inside, you'll find a heater and defroster, cigarette lighter, dual sunshades, front-door armrests and automatic choke as standard equipment on most models. ■ There are lots of reasons for liking what's new—and tried and true—in the '62 Corvair. And your dealer's eager to tick 'em off for you.

*Optional at extra cost.

Chevy II 300 2-Door Sedan

HERE'S THE NEW CHEVY II

Here's modern basic transportation in a totally new line of cars with all the solid, time-tested Chevrolet virtues—plus some surprises you've never seen on any car before. A full line of saucy new-size models. Thrifty? Choice of a frugal 4- or spunky 6-cylinder engine (in most models). Roomy? Sedans seat six solid citizens. Price? A real pleasant surprise!

This plucky new Chevy II comes about as close as a car can to perpetual motion. ■ All nine models (station wagons, a hardtop, even a convertible will soon be available in the lineup) are designed to save you money and service. Major front-end sections, including fenders, bolt on for easy replacement in case of damage. The heater and defroster are yours as standard equipment. Tough—but ever-so-gentle—Mono-Plate rear springs eliminate the friction of old-fashioned multi-leaf springs. ■ And, maneuverable and sensibly sized as this Chevy II is, it gives you the kind of room that'll make many a "big" car wonder how it's done.

See the '62 Chevrolets, the new Chevy II's and '62 Corvairs at your local authorized Chevrolet dealer's

TELEPHONE TALK

by C. L. Carson, Manager

HURRICANE CARLA
Hurricane Carla is gone, but the effects are still with us to a great extent.

Hundreds of telephones here in Cameron were put out of service by the high winds and heavy rain. Telephone men and women were called out to work many long hours and in some instances worked around the clock.

Miss Louise Burns, chief operator, reported a record number of long distance calls were handled during the storm from folks trying to communicate with relatives and friends throughout the storm area.

Hampered by the high wind and rain, Floyd Sellstrom, wire chief, and his repairmen worked from day-light and into the night for several days restoring service.

Many of you experienced delays in getting your calls through and others inconvenienced by your telephone being out of order.

We appreciate your patience and understanding and regret any inconvenience caused you during the emergency.

TO EACH HER OWN PRINCESS
The ladies of Cameron seem to have taken to the "Princess" telephone as though it were designed just for them. And in many ways, I guess it was.

For instance, it's little, light and easy to handle. It's styled to add a smart touch to any room in the house. And it lights up at night when you lift the receiver. This makes it especially attractive and practical as a nightphone next to the bed. The "Princess" is available in five beautiful colors to suit every lady's good taste.

To make the Princesses in your home even happier, give them a Princess phone for their bedroom. To order, simply call the telephone business office or ask any telephone service man.

BACK-TO-SCHOOL REMINDER
It's the responsibility of every one of us to drive safely the year 'round. But it's a good idea to be especially careful at this time of year, particularly around school neighborhoods.

During their vacations, our children here in Cameron may have been so busy playing and having a good time that they may have forgotten some of the safety rules about crossing at corners, waiting at stop signs or traffic lights and other precautions.

So while the kids are getting the hang of safety rules again, let's all be extra careful when we drive.

Call by number. It's twice as fast.

SOUTHWESTERN BELL TELEPHONE COMPANY

Visitors Call At Buckholts Homes

By Mrs. J. W. Meyer
Tele. LY 3-2800

Mrs. A. W. Zajicek visited in Houston as a guest of her son and family, Mr. and Mrs. A. W. Zajicek Jr. Recent guests in Zajicek home were Mr. and Mrs. Steve Karda and Louis Zajicek of Houston.

Mrs. W. H. Ezzell's guests have been Mrs. Mitchell Grossman and son, Charles of San Antonio. Sunday guests were Mr. and Mrs. Marvin Mitcham of Rogers.

J. W. Meyer has returned home from Kings Daughters hospital in Temple where he underwent recent surgery. Sunday guests included his niece and family, Mr. and Mrs. Orville Johnston and son, Charles of Dallas and Mr. and Mrs. Roy Law of Cameron.

Randolph Zelisko is a patient under treatment at St. Edwards hospital in Cameron.

Maysfield

Thweatts Are Host To Weekend Guests;

Mrs. Freeman Home

By Mrs. J. P. Wiese

Thursday guests of Mr. and Mrs. John Thweatt were Mrs. T. L. Peel of Corpus Christi; Mr. and Mrs. Hollis Ervin and Mrs. E. R. Zeller of Cameron.

Mrs. W. C. Freeman of Huntsville spent Tuesday in her home in Maysfield.

Mr. and Mrs. Jodie Vrana of Waco spent the weekend with her mother Mrs. Hubert Thweatt.

Mr. and Mrs. Bryan Floyd and children of Rockdale visited the Dock Thweatts last weekend.

Mr. and Mrs. Carey of Tyler visited her father, Mr. H. B. Newton during the weekend.

Mrs. W. C. Cooper spent the weekend with her son Carl Cooper and family of Temple.

Mrs. Howard Edmison of Austin visited his cousin Mrs. A. L. Masengale recently.

Mr. and Mrs. Howel Armstead and Tona of Dallas visited Mrs. Armstead's parents Mr. and Mrs. John Thweatt.

Mrs. Bullock Hosts Milano Home D Club

The Milano HD Club met Sept. 21 in the home of Mrs. Betty Bullock. There were 12 members present and 3 visitors.

Mrs. Francis Johnson, County Agent, gave a demonstration on pots and pans. She gave some interesting points on the selection of pots and pans. She also served a delicious Swedish Fruit Soup, which was cooked in a pressure cooker.

Mrs. Betty Bullock and Mrs. Ruth Fussell were hostesses.

The next meeting will be Oct. 5 in the home of Mrs. Marie Fisher.

San Jacinto Monument, 547 feet, 4 inches, is the tallest in the world.

The Luckless Legion by Irwin Caplan

Drivers under 25 were involved in 27% of the fatal accidents in 1958.

Tracy Offields Host New Mex. Guest

By Mrs. Florence Spiegel

Mrs. Larena Offield has had as guests her sisters, Mrs. O. L. Crow of Clovis, New Mexico and Mrs. Gertrude Holtzclaw of Temple.

Mr. and Mrs. Ray Green spent Sunday with his sister, Mrs. P. L. Jackson in Ad Hall.

Mr. and Mrs. Doyle McCoy and daughters Gayle and Linda of Rockdale spent Sunday with their family, the A. T. Smiths.

Mrs. George Young spent several days last week with her son and family, the George Young Jr. family in Austin.

Mr. and Mrs. Lenza Caffey visited with their daughter and family, the Fred Greens in Belton Sunday.

Thomas Blocker and Wayne Caffey attended the A&M - University of Houston game at College Station Saturday.

Rogers Church Sets Attendance Goal

The First Baptist Church of Rogers has set a high mark of 200 per Sunday in Sunday School throughout the month of October 1961. This is the highest mark set for the church in recent years.

Sunday School members have been singing pledge cards to attend every Sunday in October if possible. The goal was nearly reached up to the close of the Sunday evening service, when a larger than usual crowd attended.

Sunday morning was annual promotion day in the Sunday School, with pupils throughout the school moving to another class or department if they had reached the maximum age bracket for their department. Doyle Ray, Sunday School superintendent, and the pastor, the Rev. Clyde Lee Herring had charge of promotion day events.

Burlington

Baptists To Hear Rev. Bob Peppers

By Mrs. George Logan

Mrs. Elo Buegeler is in Needles, California visiting her son and family, the Norbert Buegelers' and including her new grandson.

Rev. Bob Peppers of Fort Worth will be the supply minister at Burlington Baptist Church Sunday in the absence of Rev. Bob Parker who will be preaching at the Grace Memorial Baptist Church in Clinton.

Mr. and Mrs. Jeff Foshea and family of Houston were guests of relatives here and at Cameron last weekend.

Mr. and Mrs. George Poole and family of Waco visited in Burlington last week en route to Cameron where they visited relatives.

Mrs. Ollie Mode returned from Tyler last week where she had visited her daughter and family, Mr. and Mrs. Arley Bishop. Mrs. Bishop is reported improved following a recent operation.

Miss Margie Helpert and Joe Kuatke of Houston were guests of her parents, Mr. and Mrs. Henry Helpert, last week. They also visited relatives in Waco.

Mrs. Lola Westbrook and Mrs. Dan Prescott of Waco were guests of Mr. and Mrs. J. T. Prescott Sr. Sunday afternoon.

Mrs. A. E. Hensel visited relatives in Waco Saturday.

Mr. and Mrs. Ernest Scarborough of Houston and their Aunt, Mrs. Lillie Holderby of Rosebud were guests of Mrs. Sallie Davis last Saturday.

Mr. and Mrs. Richard Moraw of Brazoria visited Mrs. Hattie Benesh here Friday.

Miss Mary Geiser and Mr. and Mrs. Walton Warschak and family were at Tours last Sunday and enjoyed a picnic there.

Weldon Kurtz, son of Mr. and Mrs. Wilbert Kurtz of Holland underwent an operation Sept. 12 at a Temple hospital. He is the grandson of Mr. and Mrs. Elo Chollet of Burlington.

Mr. and Mrs. Virgil Schneider of Temple are the parents of a baby girl, Karen Ann, born Tuesday evening at Scott and White Hospital. She weighed 7 3/4 pounds.

Mr. and Mrs. Lloyd Stoenner and family of Fort Worth are vacationing here with their parents, Mr. and Mrs. Will Stoenner. Miss Willie Mae Stoenner of Temple also visited in the home of her parents.

Mrs. Henry Litzman entertained the 42 club at her home Sept. 19. Games and refreshments were enjoyed.

Mr. and Mrs. J. L. Horton had as guests Sunday, Ernest Horton and grandson Bert Allen of Belton.

Sharp Regular Meeting For Presbyterian Auxiliary Held

By Mrs. Florence Spiegel

Mrs. Charlie Duncan led the program, "God's Plans in Our Hands," at the September meeting of the Presbyterian Ladies Auxiliary.

Others on the program were Mrs. Frank Gamble and Miss Agnes Rinn. The Bible study topic was, "It Is Finished."

Mr. and Mrs. James Schwarz and children from New Braunfels enjoyed a weekend visit with their family, the Willie Schwarzs.

Mr. and Mrs. H. F. Lange and Siegfried Wolle visited in the Raymond Polle and Lewless Wolle homes in Heidenheimer Sunday.

Mrs. Albert Rinn spent several days in the W. L. Spiegel home in Austin last week.

Mr. and Mrs. J. D. Pope and her mother, Mrs. C. R. Campbell were weekend guests of their son and daughter-in-law, the J. D. Papes Jr. in Austin.

Mr. and Mrs. Alvin J. Rinn of Bryan were weekend visitors here.

Mr. and Mrs. Buddy Stephens of San Antonio spent last week with her grandparents, the R. E. Eakens.

Mr. and Mrs. Charlie Kibbe of San Antonio visited in the L. N. McDonald home Saturday.

Miss McKim Massey of Rogers was a weekend guest in the Ed Fowler home.

Thorndale Bulldogs List 28-8 Victory

The Thorndale Bulldogs downed the Bulldogs of Copperas Cove 28-8 in Thorndale Friday night.

Thorndale broke the ice with a touchdown in the first half, when Ken Caffey plunged over from the two yard line. His six points climaxed an 11 play - 64 yard drive that originated on the Thorndale 36 yardline.

Quarterback Derwood Tucker passed to left end, Richard Pierce, for the two extra points.

Copperas tallied in the second quarter on a 39 yard pass play that went from quarterback Gary Kielman to Herbert Prince. Steve Johnson ran over for 2 extra points, the last of the night scored by Cove.

Thorndale came back strong in the third period. Caffey trotted around for an 8 yard TD run. Richard Westbrook went over from the 3 yard line minutes later. Caffey carried for the two extra points.

The final Thorndale touchdown was accounted for by Burke Bauer-schlag when he returned pass interception 35 yards to pay dirt.

We Pickup and Deliver

WIED HARDWARE

NOW

Falcon Pickups averaged 30.5 mpg in certified tests, including hills, constant speed on level roads, and simulated traffic conditions. Roomy 6-foot box, 800 pounds capacity.

Exclusive one-piece cab-body design gives Ford Styleside Pickups extra capacity and extra strength. Heavy duty in every way for heavy going all day! Carlike riding comfort, too!

AT FULL-TIME TRUCK ECONOMY HEADQUARTERS*

Econoline—all-round economy leader—can cut operating costs \$100 yearly under conventional pickups. Carries ¾ ton with up to 23% more loadspace—all usable. Seven feet of flat floor.

NEW '62 Ford Trucks

Full-time economy that only starts with Ford's low price!

Come meet the trucks that put saving money on a full-time basis—new Ford Trucks for '62. They save on price! They save on gas and oil. They save on tires and on maintenance—wherever there's a way to save. And once again for '62, only Ford gives you your pick of three completely different lines of pickups. Plus the van that's priced like a pickup... the new Econoline. No doubt about it, in our new '62 Fords you'll find the truck that's right for your job... a truck that will save on your job, not just some of the time, but all of the time. So come in today. Check out the facts! Work out a deal and drive out a truck that saves money... full time.

FORD TRUCKS COST LESS
SAVE NOW... SAVE FROM NOW ON!

America's best selling van—and small wonder! Econoline savings start with a price far below any popular conventional panel. Operating costs can be \$100 a year lower. But loadspace is bigger (204 cu. ft.) and easier to get at through big 4-ft. doors side and rear. Flat floor makes all space usable.

NEW DART LOOK -- Dodge's popular-price Dart is dramatically restyled for 1962. Dodge engineers say the new Dart features a new concept in standard-size car design which provides the own-

er with greater performance and economy. Useless weight and extra size has been "engineered out, they say. Pictured above is the deluxe Dart "440" four-door hardtop.

Dodge Dart Gets Streamlining

Dodge today unveiled a dramatically redesigned 1962 Dart which, according to company officials, provides "a real combination of, not just a choice between, action and economy."

The popular-priced Dart features a new, classical, functional styling and an impressive series of engineering advances. The car is on display at Schiller Motors today.

Dodge General Manager Byron J. Nichols said the newly designed Dart is "all muscle."

There is no useless weight in this car," Nichols said. "All of it has been engineered out by taking advantage of new materials and new design techniques."

As a result, the 1962 Dart is slightly shorter and lighter than the 1961 models, but both headroom and legroom dimensions have been increased. And the new design also provides significant increases in performance, economy and maneuverability.

In Darts with the standard V-8 engine and automatic transmission for example, acceleration from 0 to 60 miles an hour has been improved approximately 7 per cent and gasoline economy by about the same percentage. With the six-cylinder engine with manual transmission, 0-60 acceleration has been increased about 11 per cent and economy by about 3 per cent.

THE CAMERON
HERALD

New Milam FM Road Building Set At \$72,000

The Texas Highway Commission today approved the expenditure of \$72,000.00 for construction of new Farm to Market mileage in Milam County as part of the 1961 FM Road Program, announced District Highway Engineer C. B. Thames of Bryan, Texas.

The District Engineer said 3.2 miles in this county will be involved. The work will be under the supervision of Carol D. Zeigler, Resident Engineer, Hearne, Texas.

The work authorized for this county is part of the \$15 million FM Construction Program which will involve 133 counties throughout the State. Some 600 miles of new farm roads will be built under the program.

Unlike previous farm road construction programs, this one is for one year only instead of two years. The Highway Commission said the reduced one-year program is the result of Governor Price Daniel's recent veto of a \$15 million farm road appropriation which would have come to the Highway Department next year.

The Governor recently vetoed the Colson-Briscoe farm roads allocation for the second year of the current biennium on the grounds that there should be more flexibility in the use of the funds in order to provide for proper maintenance of the farm roads system.

In approving the 1961 farm roads program, the Commission said it is vital that the 1962 Colson-Briscoe appropriation be reinstated at the forthcoming legislative session if the Highway Department is to continue the Farm to Market Road program at the current pace.

The Commission reiterated its hope and belief that the legislature at the special session will see fit to reinstate the second-year farm roads appropriation together with statutory provisions for adequate flexibility in the use of farm road funds for maintenance, as recommended by Governor Daniel.

Alcoa Loses 10 Men On Recall Of Guard Unit

Alcoa will lose ten men to the 49th Armored Division recall to active service — eight to the Cameron Unit, Battery C, and two to the Taylor Unit, Battery B.

"It's possible that there will be recalls as a result of these men going into active service," R. R. Sugg, works manager for the Rockdale Works, said. "However, a number of employees were retained through the summer for vacation relief and those people will be kept on the job to fill vacancies left by the National Guardsmen."

"Employees being called up will be able to return to their jobs and their seniority will be maintained during their absence," the works manager added.

Cameron Unit guardsmen who are Alcoa employees and who are being called up to active service are:

J. T. Terry, P. F. Kunz, C. L. Polk, W. K. Leonard, Jr., J. W. Elsenburg, Stanley R. Glaser, and B. W. Kopetsky.

The two men from the Taylor Unit, B Battery are: H. J. Pustejovsky, Jr., and E. E. Dykowski.

The Commission said that maintenance of all FM Roads has been paid out of trunk highway funds since the inception of the Colson-Briscoe program in 1949, and that this was advisable during this period due to the necessity for construction of many new miles of FM Roads. However, the Commission pointed out that the problem now is adequate maintenance, improvement, and reconstruction of the 34,000 miles of Farm to Market Roads that have already been built. The Department has now reached the point where a portion of the total earmarked for FM road funds must be used for maintenance purposes, the Commission said.

District Engineer Thames said a total of twenty-miles in this highway district would be involved in the program at a total cost of \$515,000.00. The following project will take place in this county:

From end of FM 2347 East to Cross Roads, a distance of approximately 3.2 miles.

1 Of 4 Fatalities

At Home Occur

In Bedroom Area

Almost 26 per cent of all fatal home accidents occur in the bedroom, according to C. M. Burke, Lone Star Gas Company manager.

Lone Star and The Cameron Herald, are co-sponsors of the 1961 Home Safety Program in Cameron. "Fatal yard accidents are in a weak second place with 11.6 per cent", Burke said.

Locations of other home accidents have been recorded as follows: Kitchen, 10.3 per cent; inside stairs, 7.4 per cent; living room, 7.4 per cent; outside stairs, 3.9 per cent; bathroom, 3.5 per cent; dining room, 3.4 per cent; porch, 3.3 per cent; basement, 1.7 per cent; garage, 1.1 per cent and other and not stated, 12.3 per cent.

Sophomore Class: President, Diana Engbrook; vice-president, Carol Mikulas; Secretary, Betty Jean Zabcik; Reporter, Steve Cas-

Lannette Laffere

Named President

Of Student Council

Lannette Laffere, Yoe High School Senior, was elected Student Council President by the school's student body last week.

Miss Laffere has two years of council experience behind her; she served as secretary one year. She replaces last year's president, Annette Dodd.

Treasurer, Helen Craft; Student Council representatives: Donna Wilkerson, Don Farrel; P. T. A. representatives: Johnny Martinec, Barbara Smith.

Freshmen: President, Dianne Bartek; Vice-president, Virginia Rae; secretary, Pauletta Raley; treasurer, Karen Kovar; reporter, Janet Caba; Student Council representatives: Mary Faye Wright, Trudy Mikulas; P. T. A. representatives: Leonard Cobb, Virginia Rae.

David Hudson was the only other candidate for the race this year. He is serving his second year as a council member.

Lannette is a member of the National Honor Society, Latin Club, Junior Historians, Slide Rule Club, Latin Club, FHA, Future Nurses Club, and the YHS band for the past six years.

She has been FFA Sweetheart, Junior Carnival Queen, Candidate, sophomore class secretary, and a member of the Junior Play cast.

Lannette is the daughter of Mr. and Mrs. Laurence Laffere, 711 East 15th St., Cameron.

Saddle Club To Hold

'Little Horse Show'

The Cameron Saddle Club will have a "Little Horse Show" Sunday, Oct. 8.

The show will be held at the club's arena at Wilson-Ledbetter Park beginning at 1:30.

A trophy buckle and ribbons will be given to winners in each event. A list of classes will be given at a later date.

HEART O' TEXAS COLISEUM — WACO

INTRODUCING FOR 1962 THE NEW LEAN BREED OF DODGE

The black car above is the 1962 Dodge Dart 440. First of the Action-Economy cars. A low price, full-size Dodge that will outrun, out-economize most any car around. Accelerates seven percent faster on five percent less gas than a comparable '61 model. Reason? Less dead weight. For instance, its automatic transmission (with V8 engine) has an aluminum case, weighs 60 pounds less than last year's. The '62 Dart 440 is more comfortable. Has chair-high seats, a fold-

down center armrest in front for bucket seat comfort.

The white car above is the Lancer GT, America's first Sports Compact. It carries five. Corners flat. Handles neat. Really goes. Bucket seats, all-vinyl interior, full carpeting are standard.

Full-size or compact, every 1962 Dodge is rust-proofed. Has a smooth Torsion-Aire Ride. Goes 32,000 miles between grease jobs. As always, the name Dodge is your assurance of complete dependability.

THESE TRUTHS WE MUST HOLD

SHOULD EDUCATION BE CENTRALLY CONTROLLED?

Americans believe:

Education is best controlled when it is in the hands of local boards, responsive to the wishes of the parents and the community. The goal of education is intelligent, moral, and self-reliant citizenship. Education must be free from propaganda and must prepare the student to exercise his proper share of control over his government.

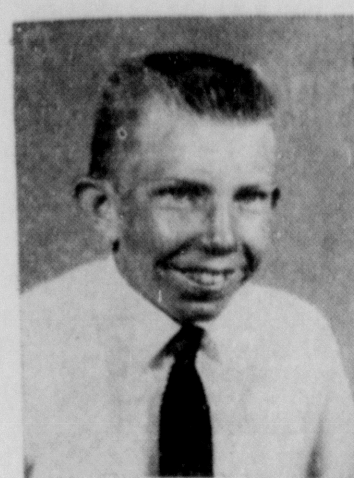

Communists believe:

Education must be controlled by the Central government so that the individual will be indoctrinated to follow, without question, the dictates of the Socialist state. The thought content of all studies must be filtered through this basic requirement. Individualism is the enemy of the people, therefore the student must be regimented and must accept the decision of government regarding his place in the economy.

ETERNAL VIGILANCE IS THE PRICE OF LIBERTY

To renew and awaken interest in our precious heritage of Freedom, and its superiority over the Communist philosophy, these messages are being published by the Texas Power & Light Company, an investor-owned, tax-paying electric utility.

Georgetown

Friday, Sept. 29

TOM LEE MEMORIAL FIELD
8:00 P. M.

The Yoemen continued their winning path last week as they looked good against Elgin to win 27-0.

This week the Fighting Yoemen take on the Georgetown Eagles in what promises to be a good game.

Last week Georgetown lost to West 20-0. From all reports the Eagles had quite a bit of bad luck and it cost them the game. They will be up for Cameron and it should be one of the top games of the year.

Let's all go to the game and give the Yoemen the support they need. See you there.
